**YEAR 8 HELPERS**

Last week, a group of Year 8 Boys assisted Mrs Trounson in beautifying the Junior Playground. They were a wonderful help and completed a fantastic job. Congratulations boys, a job well done!
Greetings,

It might come as a surprise to many parents, given that we have only recently entered the second half of the school year, but we are already in the planning phase for 2015. We are currently looking at expected enrolment numbers across the College for next year, discussing where we might locate all students and developing an appropriate staffing profile. We have received a healthy number of applications for Year 7 next year and have spent time this week assessing their eligibility. The relocation of classes at the Rangeview Campus and decanting of the Mount View Campus by the end of the year are also expected to occupy a reasonable amount of our time and energy. We intend to achieve this with minimal disruption to our school program.

Heidi Victoria MP will be acting as ‘Principal for a Day’ on Friday 15 August. Heidi Victoria is a member of the Victorian Legislative Assembly representing Bayswater for the Liberal Party of Australia and is Member for Bayswater District, Minister for the Arts, Minister for Women’s Affairs and Minister for Consumer Affairs. The mission of Principal for a Day is to increase and strengthen partnerships between schools and the community. Principal for a Day aims to:

- Increase understanding and awareness between schools, business and the wider community
- Promote the great work that schools do
- Provide business and community leaders with first-hand and current experiences of schools
- Enable school principals to develop on-going relationships with leaders from other spheres
- Increase opportunities for schools and the community to work together in mutually beneficial ways

‘Bogan Bingo’, organised by the hard working Parents Club, is happening at the College on Saturday 9 August. Tickets are still available and I encourage you to book soon if you wish to attend. Information is available at the office, in the Newsletter or on the Parents Club Facebook site. I’m sure it will be a fun evening.

Our students are deep in rehearsal for their performance of the *Wizard of Oz*. There are four performances on offer, from Thursday 28 August to Saturday 30 August. It would be great to see many parents, families and friends making the time to attend to see our students in action.

Don’t forget! On Friday 8 August all College staff will be involved in professional learning for the day. Staff will be engaged in the ongoing development of our College Teaching and Learning Masterplan, to ensure that we continue to provide outstanding educational opportunities for the students in our care. *This is a designated Student Free Day and students are not to attend school on this day.*

Regards,

David Rose
College Principal

**Rangeview Campus Principal’s Report**

**Congratulations – some excellent news!**

Well done to Denise O’Halloran who won School Crossing Supervisor of the Year: Region 4. Denise was given a framed certificate, a trophy and a gold class movie voucher for her dedication to duty, her pleasant and professional manner and her conscientious approach to her role as crossing supervisor. Denise has dedicated her time as a crossing supervisor on Albert Avenue for 22 years in total. Imagine that, 22 years, rain, hail or shine assisting our students to cross Albert Avenue safely before and after school. Well done Denise. All of our local crossing supervisors deserve to be congratulated on the wonderful job they do each day keeping our students safe.

Congratulations also to Jenny Hu who has been selected to participate in the State School Spectacular. As this Newsletter is being prepared Jenny will be rehearsing in preparation for the final performance over the weekend. Have heaps of fun Jenny!

Congratulations to Corrine Molloy and her husband for the safe and happy arrival of Max James Molloy earlier this week. I am sure she will come to visit when Max is a little bigger and the weather is a little warmer.

Kate Harnettty

**Rangeview Campus Principal**
Student Learning Conferences – Years 7 and 8 specialist teachers and Years 9 to 12 teachers

Student Learning Conferences involving Years 7 and 8 specialist subjects (selected studies) and all subjects for students in Years 9 to 12 will be held on 19 August 2014 at the Mount View Campus, from 4.00pm to 7.00pm. Letters have been posted home, and the database for on-line bookings is open now, so please feel free to book a time that suits you.

Years 9 and 10 Parent Evening

Our information evening on Tuesday 29 July for Year 9 and 10 students and parents was very well attended, and provided a huge amount of important information to parents as well as to the students themselves. Year 9 students heard detailed plans for their City Experience later in the term and their camp in Term 4. Year 10 students were given a comprehensive overview of WoW (World of Work) Week at the end of this term.

Both groups then came together for a Pathways information session run by Rachel Gardiner (Senior Programs), John Gove (VCAL) and Tim Knowles (Careers). Year 9 students will now begin the process of selecting their pathway for 2015, and the Year 10 students will review where they are at with their pathway and goals, checking that it still suits their purpose.

It was a very informative event for all concerned, and thanks go to the presenters, as well as Olga Kowalczuk and the students who assisted her in catering for the evening with yummy cupcakes.

*Judy Triffett*

*Mount View Campus Principal*
Year 8 Helpers

On Tuesday 22 July Ms Trounson, Shane 8A, Troy 8B, Jayden 8B, Liam 8A, Brent 8B, and Josh 8B improved and cleaned up the playground at Rangeview Campus. Ms Trounson needed some help to beautify the area and hang up some artwork.

Unfortunately we ran out of paint, but we are looking forward to helping out again in the future. It was a fun morning.

We improved the playground by painting the fence, raked up the leaves and sand, and placed decorations that the Grade 1 students made.

It was a great time!

By Zac 8A, Shane 8A, and Liam 8A

Prep’s VERY Large Visitor

This week the Preps noticed some really BIG footprints in the classroom. We thought it might be footprints of the giant from 'Jack and the beanstalk'. The Preps read the letter left by the giant and were asked to measure all the different sized footprints. Everyone enjoyed the task and measuring with different objects.

Here is the letter that was left:

Dear Class,

Fee! Fi, Foe, Fum! There is a lot of measuring to be done! Can you measure my footprints? Can you find the longest footprint?

Sincerely,

The Giant

P.S Can you find two footprints that are the same length?
On **Tuesday 12 August** I will be holding an extremely important Information Night regarding VTAC applications and post Year 12 options for next year. All students and parents are invited and strongly encouraged to attend this evening. The application process (including all steps involved and all important dates), SEAS applications and scholarships will be covered in great detail.

**I cannot stress too strongly the importance of this Information Night.**

If you have any questions regarding the night or wish to organise an appointment with me for you and your child, please feel free to call me on 9760 5900 and ask for Tim Knowles.

**Mr. Tim Knowles**

**Careers/Pathways Co-ordinator**
Grade 5/6 Knox Division Boys/Mixed Netball Competition

Boronia K – 12 College’s Primary Mixed Netball team ventured to Maroondah Indoor sports centre to play in the Knox Division Competition. With a few injuries, the team had to work hard during the day and were dealt an even worse blow when told we were not following the correct boy to girl ratio rule. Unfortunately we could only play with 5 on the court. However each student, whether playing, on the bench or cheering, gave their absolute all and we were unlucky to go down by one point in the semi-final. Everybody was exhausted by the third play-off game and although every student still gave their all, it wasn’t enough to get the win.

After the day, it was alerted to us that there is no boy to girl ratio in the school netball competition and we were playing the wrong rules on the day! Due to this, Boronia K – 12 College have been granted a special entry into the regional competition on Wednesday 20 August. We have been very lucky to be given this chance and I know the team is excited and will give it their very best effort!

Well done to Emily S, Jordyn Y, Leah H, Connor M, Callum O, Cooper M, Liam A, Vincent H, Bailey E & Georgia B.

Thank you to Ms. Cellante for coming along and being a fantastic help. We would also like to thank all the parents for the support the team received on the day, it was fantastic to see and greatly appreciated by all!

Good luck to the team in three weeks!

Grade 5/6 Knox Division Girls Football Competition

The Year 5/6 football team competed in the Knox Division comp last Wednesday at Lewis Road Reserve, Wantirna South. Results and recap will be in next week’s newsletter!

Mitch Stone - P.E Teacher
WHOLE COLLEGE ATHLETICS – THURSDAY 7 AUGUST

If you have not yet returned your child’s permission slip and payment for the Whole College Athletics next week, please do so ASAP!!! Spare notices can be found at the General Office of both Campuses.

GYMNASTICS - JUNIOR SPORT

Our students are currently enjoying our Gymnastics unit. Sessions have focused on balance, leaps, rolls and body positions. Each class has been working hard to build and expand on these skills and have been able to create mini routines. It has been wonderful to see the creativity in a number of the routines performed.

Sharyn Mullins
P.E. Teacher

### WIZARD OF OZ HELPERS NEEDED

As the preparations for the production are now well underway, we are calling for assistance! We will be hosting two ‘set painting’ days on the following dates:

- **Saturday 9 August (11am - 4pm)**
- **Saturday 16 August (11am - 4pm)**

If any parents, guardians, or students are able to help out, please notify the College.

We are also looking for assistance during dress rehearsals and performances, particularly with makeup and costumes. Please notify the College via the General Office of your availability if you wish to assist.
Chaplain’s Spot

Attitudes (Charles R Swindoll)

Words can never adequately convey the incredible impact of our attitude toward life. The longer I live, the more convinced I become that life is 10% of what happens to us and 90% of how we respond.

I believe the single most significant decision I can make on a day-to-day basis is my choice of attitude. It is more important than my past, my education, my wage, my success or failures, fame or pain, what other people think of me or say about me, my circumstances or my position. Attitude keeps me going or cripples my progress. It alone fuels my fire or assaults my hope. When my attitudes are right, there’s no barrier to height, no valley too deep, no dream too extreme, no challenge to great for me.

My featured book this week is the joke book I am creating. If you have any funny [and clean] jokes I could add to this book that would be great. One of the first in my book is: What do you call a Grandpa in a canoe? A Paddle Pop!

For those who would appreciate a free hot meal on a Sunday evening, the Lutheran Church on the corner of City Rd and Wantirna Rd provides a free meal between 5 and 6pm.

Alan Silverwood
Chaplain

Pastoral care for our community, with issues of emotional, financial, spiritual, physical nature.

The Chaplaincy program is funded through the Federal Government & Community support. This is a voluntary program in our school community.

Parents’ Club

WHOLE SCHOOL CHOCOLATE DRIVE

The Boronia K-12 College Cadbury Chocolate Drive chocolates have been distributed to most Rangeview Campus students. Remaining families who have not notified the school that they do not wish to receive chocolates, will be receiving theirs shortly.

If you do not wish to receive a box and your student attends the Mount View Campus, please return your notice as soon as possible.

Families who have received a box, but do not wish to sell them, please return them to the College as soon as possible. These chocolates can then be distributed to families who wish to sell more.

All monies and unsold chocolates to be returned to the College by 4.00pm Friday 15 August.

ENTERTAINMENT BOOKS - FINAL DAYS

Selling for only $65, the 2014 | 2015 Melbourne Entertain-ment™ Membership is packed with over $20,000 worth of valuable offers you can use right away, valid up until 1 June 2015!

Plus, 20% of all purchases contributes to landscaping for the Early Learning Centre & literacy & numeracy re-sources for Preps -12! The more we sell, the more we raise – so please forward this email to your family and friends!
