**Important Dates**

- **17 June** - Eastern Metropolitan Regional Secondary Division Cross Country Final
- **19 June** - Year 9 & 10 KIOSC Excursion
- **24 June** - Rangeview Campus Parent/Student/Teacher Interviews, Prep - Year 8
- **25 June** - Rangeview Bright Lights Concert (Prep - 4, 9.50am) (Years 5 - 8, 11.30am)
- **27 June** - Last Day of Term 2, 2.30pm Finish
- **17 July** - Rangeview Campus Parent/Student/Teacher Interview Day 2, Years 5 - 8
- **28 August** - College Production: The Wizard of Oz, 7.30pm
- **29 August** - College Production: The Wizard of Oz, 7.30pm
- **30 August** - College Production: The Wizard of Oz, Matinee 2.30pm, Evening Show 7.30pm
- **16 September** - Year 9 KIOSC Excursion
- **7 October** - Year 9 ‘Keys Please’ Program

**Term Dates 2014**

**Term 2** - 22 April to 27 June
**Term 3** - 14 July to 19 September
**Term 4** - 6 October to 19 December

**Inside this issue:**

**YEAR 7 STUDENT/PARENT/MENTOR INTERVIEWS**

Please note that parents are required to book only one (1) interview time for the Year 7 interviews, the time will cover the core areas of Literacy, Numeracy and Humanities. Your booking can be attached to either subject, however, the interview will cover all relevant learning areas as appropriate for your child.

Please contact our Business Manager if you have any concerns with the online booking process.

**SECONDARY DIVISION CROSS COUNTRY**

Congratulations to our students who finished in the Top 10 at the Secondary Division Cross Country. These students will now go on to compete in the Eastern Metropolitan Regional final at Yarra Glen on Tuesday 17 June.
STUDENT SAFETY ISSUE

We have been alerted to claims circulating on social media about a male driving a 4WD vehicle approaching a secondary school girl earlier this week in the local area. This matter has been reported to the police and neighbouring schools have been notified. We are taking this incident seriously. Student safety is always our priority. To err on the side of caution, we have advised staff of the incident and will be running additional stranger danger sessions in classes over the next week. We will also include information in relation to Safe Student Behaviours in the next newsletter.

THE PARENT / CLASSROOM TEACHER / POD TEACHER / MENTOR PARTNERSHIP

One of the key relationships we are trying to build and enhance within our College is the home school partnership. A key part of this relationship relies on effective and ongoing communication particularly when and if an issue arises at school. If the designated classroom / pod teacher / mentor is aware of an issue, our expectation is that they will make contact with the home to discuss the issue. If the parent/carer is aware of an issue, our expectation is that they will contact the classroom / pod teacher / mentor to alert them of the problem. The Classroom / pod / mentor teacher should be the first point of contact for parents when dealing with school related issues. If the designated teacher / mentor believes intervention is needed from the relevant Team Leader or Campus Principal, they will advise parents accordingly and brief the relevant leader. This process breaks down if parents bypass the designated first point of contact or our teachers don't make contact with home. To achieve the best possible environment and outcomes for our students we all need to play our part in ensuring the home school partnership not only works but thrives!!

MID YEAR INTERVIEWS AT RANGEVIEW CAMPUS

A reminder for Rangeview Campus parents to book interviews through our website with the relevant classroom / pod and Mentor teachers to discuss the mid year reports. These interviews are scheduled for Tuesday 24 June between 4.00pm and 7.00pm. For parents and students in years 5 – 8, a second period for interviews has been scheduled for Thursday 17 July. The parents of students in Years 7 and 8 will only meet the pod teacher / mentor teacher with these interviews. Parents wishing to make contact with specialist teachers will be able to register their interest to do so with the pod / mentor teacher. Follow up arrangements will then be organised. When the College is all on the one campus, these types of events will be far easier to streamline for all concerned.

PROJECT NEWS

At this stage, construction of our new building, refurbishment of existing buildings including the gymnasium and the roof over one of the basketball / netball courts is proceeding well. Delays due to wet weather and supply of some materials have set our completion date back but we are hoping to have all works completed by the end of Term 3. Over the next few weeks we hope to see some additional signage installed at the front entrance of the College and near the front gate. With regards to our front fence, hopefully the delays with moving the bus shelter on Albert Avenue will be sorted out between Public Transport Victoria and the Knox Council.

A reminder to all members of the College community, that smoking within, or immediately outside the College grounds is prohibited.

Ross Bevege
Executive Principal

Mount View Campus Principal’s Report

Reports/Student Learning Conferences

Reports for students in years 9 to 12 will be posted home at the end of term. Our next round of Student Learning Conferences for students in years 9 to 12 will be later in term three. The date will be announced via the newsletter and a letter home closer to the time.

Uniform

Just a reminder that anyone who is struggling to purchase winter uniform should see me for assistance well before the
end of term! It is particularly important in this cold weather to ensure that your children have a jumper and/or jacket for the winter months. The microfibre jacket and blazer are good options for those students who have a reaction to wool, as these items are warm but softer on the skin.

GAT

Mount View Campus students who are undertaking a Unit 3 & 4 study this year undertook the GAT (General Achievement Test) this week, which is the first of their external exams. The exam, which is a general test as the name implies, cannot be directly studied for but requires students to be well-read, have a good general knowledge and be thinking clearly. It is more than three hours in length so also requires good focus and concentration, which is why we start training students to sit formal exams early in their pathway.

Senior students from Sherbrooke Community School joined our students for the GAT in our eSpace, which is a comfortable and well-lit exam environment. We wish all the students well in their exam.

Judy Triffett
Mount View Campus Principal

Nationally Consistent Collection of Data on School Students with Disability

Our school is participating in the Nationally Consistent Collection of Data on School Students with Disability (Data Collection). This Data Collection is taking place in government, Catholic and Independent schools across Australia, and will provide valuable information about supports required for a broad group of students. This will enable Australian and State governments to better target support and resources in schools. This in turn will help schools give students with disability the support they need.

The Data Collection is not limited to students with diagnosed disabilities. It uses a very broad definition of disability, taken from the Disability Discrimination Act 1992 and the Disability Standards for Education 2005, which describe a broad range of health and learning conditions for which schools are required to provide 'reasonable adjustments' to support students to participate on the same basis as other students.

The Data Collection will take place during Terms 2 and 3. No personal or identifying information about any student will be included, however, if you decide you do not wish information about your child to be included in the Data Collection, you can opt-out by signing and returning the opt-out consent form. More information about the Data Collection is available on the Department of Education and Early Childhood Development website at:

or you could contact the Principal if you have any further questions.

Parenting Adolescents

Understanding and treating depression & anxiety in young people.

Dr Chris Moodie has extensive experience working with young people experiencing depression and anxiety and a thorough understanding of the treatment options.

At this highly anticipated forum for parents, he will discuss:

- Signs and symptoms of anxiety and depression
- Methods of treatment
- Side effects of medications
- Monitoring of young people’s mental health after recovery

This will be followed with a discussion about referral pathways for young people and families requiring additional services.

Who: Parents of teenagers with anxiety and depression

Where: EACH (Building A), 46 Warrandyte Rd, Ringwood

When: Tuesday 24 June, 2014

Time: 7.00pm - 8.30pm

Cost: FREE!

For more information and registration, please contact Amanda Jenkins in the Early Intervention and Counseling team on 9871 1802.

LAST DAY OF TERM 2

Friday 27 June

2.30 PM Finish

Bright Lights

Wednesday 25 June

Prep-4: 9.50 am | Years 5-8: 11.30 am

The Thursday choir will perform in the first session only.
DIVISION PRIMARY CROSS COUNTRY COMPETITION

Congratulations to the 12 students that represented Boronia K-12 College at the Primary Division Cross Country at Norton’s Park last Friday. You all continued your fantastic efforts from District Cross Country and made yourselves, your families and the school very proud. Well done to Liam, Ellie, Ella-Jane, Chloe, Brodie, Jasmyn, Cooper, Isla, Neve, Anya, Jordyn and Georgia.

We were also very lucky to have four of our athletes finish in the top 10 in their race and qualify for the Eastern Metropolitan Region Cross Country competition to be held at Yarra Glen Racecourse on Tuesday 17 June. We wish the following students the best of luck as they represent the school at such a high standard:

Liam 3/4 B (10th in 9/10 Boys)
Isla 5/6 F (1st in 12/13 Girls)
Neve 5/6 B (2nd in 12/13 Girls)
Jordyn 5/6 B (7th in 12/13 Girls)

Well done to those students and good luck next Tuesday. Thankyou to Ms. McMillan for taking care of the students and thanks again to Leanne Yeoman for taking time out of her day and helping transport the students to and from the event. It was also fantastic to see Mr. Bevege, as well as all the family support on the day, the students absolutely loved it and we all enjoyed a great day.

WINTER SPORT FINALS

Unfortunately we were unable to play our final round of Winter Round Robin matches due to poor weather against Boronia West P.S. on Friday 23 May. As these games did not affect the overall results we will not play the final round, however we will make up a non-competitive sports day with Boronia West later in the year.

Congratulations to the Girls T-Ball team who has qualified for the final that will be held at The Knox School, this Friday 13 June. We wish Jade, Isabella, Ebony, Ariana, Hannah, Care, Belinda, Ava, Jasmyn, Caitlyn & Lakiya the best of luck!

Also congratulations to the Open Netball Team that has qualified for the final as well. The date, time and venue for the final is yet to be decided, however we also wish the best of luck to Jordyn, Georgia, Leah, Emily, Liam, Callum, Vincent, Cooper and Connor.

Well done to other teams who competed fantastically in all their matches, and all teams were able to get at least one win for the competition which was a great results for each team and the College. Below are the results from the winter sport competition:

Open Netball – 1st
Boys T-Ball – 2nd
Boys Soccer – 2nd

Girls Netball – 3rd
Girls T-Ball – 1st
Girls Soccer – 3rd
Boronia K-12 College is lucky enough to be visited by two athletes who will be representing Australia in the upcoming Commonwealth Games in Glasgow, Scotland.

Brooke Stratton (Long Jump) and Damien Birkenhead (Shot Put) will be attending a Meet and Greet with students, as well as demonstrating some of their skills on the day.

Come along dressed up in your best Commonwealth Games gear. You can wear a uniform from a Commonwealth Games sport, your favourite Commonwealth Games athlete (past or present), or simply wear yellow and green to show your support for the Australian Team!

Participation on the day has an associated gold coin donation, which will go towards purchasing new athletics equipment for Boronia K-12 College. Money is to be handed to your or your child’s Classroom or Homegroup Teacher, first thing in the morning.

How to Train Your Dragon 2

**CHAPLAINCY FUNDRAISER**

Please help us support the great work that Mr. Silverwood does as Chaplain at our College.

Each year our College Council supports the Chaplaincy program through funds needed over and above the amount provided by the Federal Government.

We would love you and your family to join us, kick off the school holidays with a fun movie, and show your support.

**Where:** Metro Cinemas, 216 Dorset Road, Boronia

**When:** Sunday 29 June 2014 at 1.30 pm

**Cost:** $10 per ticket (paid in cash only)

All Forms and money to be returned in an envelope to the office by Thursday 19 June.

---

**CHAPLAINCY FUNDRAISER - HOW TO TRAIN YOUR DRAGON 2**

Our family will attend the showing of How To Train Your Dragon 2 in order to support the Boronia K-12 College Chaplaincy Program.

Children Learn What They Live
Copyright © 1972 by Dorothy Law Nolte PhD

- If children live with criticism, they learn to condemn.
- If children live with hostility, they learn to fight.
- If children live with fear, they learn to be apprehensive.
- If children live with pity, they learn to feel sorry for themselves.
- If children live with ridicule, they learn to feel shy.
- If children live with jealousy, they learn to feel envy.
- If children live with shame, they learn to feel guilty.
- If children live with encouragement, they learn confidence.
- If children live with tolerance, they learn patience.
- If children live with praise, they learn appreciation.
- If children live with acceptance, they learn to love.
- If children live with approval, they learn to like themselves.
- If children live with recognition, they learn it is good to have a goal.
- If children live with sharing, they learn generosity.
- If children live with honesty, they learn truthfulness.
- If children live with fairness, they learn justice.
- If children live with kindness and consideration, they learn respect.
- If children live with security, they learn to have faith in themselves and in those about them.
- If children live with friendliness, they learn the world is a nice place in which to live.

My featured book this week is ‘Sometimes I Feel – How to help your child manage difficult feelings’, by Dr. Samantha Seymour. She covers four areas – sometimes I feel angry, sometimes I feel sad, sometimes I feel shy, sometimes I feel worried. I bought this book at Peoplemaking in Camberwell. I found it very helpful, including the great pictures.

Alan Silverwood
Chaplain
silverwood.alan.a@edumail.vic.gov.au

Pastoral care for our community, with issues of emotional, spiritual, physical, financial nature. The Chaplaincy program is funded through the Federal Government & Community support. This is a voluntary program in our school community.

Help Us Help Penguins

Do you have any eight-ply wool that you don’t need?

Our Year 9 Students are working on knitting jackets for penguins that have been affected by oil spills. The knitted jumpers are required during their rehabilitation process, preventing the penguins from ingesting any oil that remains stuck to their bodies and keeping them warm.

Any donation of wool will be greatly appreciated. These can be handed to the General Office at either Campus.

Quilting for Charity

Are you an avid quilter? Do you sew?

Year 9 Students will be constructing a quilt to donate to charity, but we need your help!

If you’re a quilter, and you are interested in helping students learn the art, or if you have fabric you would like to donate, please let us know!

If you would like to help, or would like more information please contact Olga Kowalczuk at the College on 9760 4900.

Donations will be greatly appreciated, and can be handed to either Campus’ General Office.

Olga Kowalczuk
Connect Teacher

The College will not accept legal liability in relation to any advertisements which appear in this newsletter.
This term the Prep Inquiry Unit is ‘The Farm’. As part of this unit we will be hatching chickens! The company who is assisting us in this process is called ‘Henny Penny Hatching’.

The aim of this activity is to provide a thrilling educational experience for all, bringing the joy of watching eggs hatching, and chicks emerging from their shells. This will be a great hands-on learning experience for all students involved.

Our chicks and eggs arrived on Tuesday 10 June, we are all very excited, and can’t wait to see them hatch and grow!
### Reminders

- **‘At Monash’** – 17 June Student Experience; 26 June Teaching, Sport/Outdoor Recreation; Book: www.monash.edu/seminars.
- **‘University Experience’** at ACU: Ballarat campus – 1 July; Melbourne campus – 8 July; Info/registration: www.acu.edu.au/uni-exp.

### ACU BREAKS DOWN THE BUDGET

The recent Federal Budget included changes to higher education funding which will have significant implications for Australian universities. The Australian Catholic University summarised the proposed changes that will affect students:

**Universities will set their own fees** – from 1 Jan 2016, universities will set their own fees for Australian undergraduate courses.

**The government will contribute less** – from 1 Jan 2016, students will pay more towards the cost of their degree, and the government will pay less. The Commonwealth contribution will reduce by 20% overall.

**Extending the demand driven system** – this system has been expanded to provide Commonwealth Supported Places for any undergraduate qualification offered by a university – diplomas, associate degrees. Government funding has also been extended to students studying at registered higher education providers (incl TAFE).

**Repaying the debt sooner** – The HELP loan will still be available, so students will not have to pay their fees upfront. However, the government has reduced the income threshold so graduates will start making their repayments sooner – when they are earning approx. $50,638.

**For ACU students** (if the changes pass in parliament), this means: Current ACU students or those who have accepted a place at ACU and elected to defer that offer on or before 13 May, 2014, will not be affected as long as they complete their degree by the end of 2020. Students who accept an offer of enrolment from 14 May 2014 until 1 Jan 2016 will be charged under the existing arrangements till 31 Dec 2015. After that, they will be charged under the new arrangements. ACU will be consulting with stakeholders over the coming months to determine the appropriate fees for ACU’s courses. Other universities will, no doubt, make statements in due course.

### NEW WEBSITE FOR MONASH UNIVERSITY

Monash has created a new website to help you succeed in the final years of secondary school, and to access vital information in one place. For example, it includes important dates, deadlines, registration for Monash events, VCE tips, study options and information about career paths. See: www.destination.monash.

### ARTS AT MONASH

The Faculty of Arts has interviewed some new Arts students to ask them about their aspirations, why they chose Arts at Monash, and their hopes for after graduation. See videos at YouTube: www.youtube.com/watch?v=XxWbq_j0vyk. For more information about Arts degrees, see www.arts.monash.edu.

### BUSINESS AND ECONOMICS

What is problem-based learning (PBL)? PBL is offered as part of the Bachelor of Business at the Monash Peninsula campus. PBL uses a small group approach, and focusses on problems similar to those in the workforce. Working in a small team with a mentor, students create solutions to real-life problems, learning the principles of each subject. Site visits/industry placement form an integral part of this approach. Three ‘majors’ are offered at the campuses: business strategy, sports management, and marketing and communication. Students may also undertake a different major, including accounting, at another Monash campus. Information on YouTube: http://www.youtube.com/watch?v=O5_b5UuA4Ds.

### COMPUTER GAMES BOOT CAMP

This seven-day event is for students in Years 9-12, giving an opportunity to experience everything connected to computer games and information technology. Learn from experienced industry professionals, talk to like-minded individuals and expand your networks by participating in workshops, tournaments, presentations, and activities. If you are interested in multimedia, designing or playing games, or looking to a career in IT, this is for you. When: Sat 5 – Fri 11 July; Where: Monash Clayton; Info/register: https://cgbc.infotech.monash.edu/

### ART, DESIGN AND ARCHITECTURE (MADA)

MADA is hosting a range of three-day workshops for Year 11/12 students interested in studying creative disciplines. Students can build folios and attend foundation workshops in architecture, interior architecture, communication design, industrial design and fine art, and experience life at MADA. Industry professionals and academics will run the workshops and guide students through the lessons and activities. When: 1-3 July & 24-26 Sept; When: MADA, 900 Dandenong RD, Caulfield East; Enquiries: 9903 1517, mada@monash.edu. Information: monash.edu/mada/workshops.

### NURSING AND MIDWIFERY

Deakin University invites you to information evenings to learn about courses. Where/When: Burwood – 6-8pm, Wed 23 July & 2.30-4.30pm, Sat 26 July, Building Y, room 1.11 A and B; Geelong: 6-8 pm, Wed 23 July & 2.30-4.30pm, Sat 26 July, Building AD, room 2.217; Warrnambool: 7.30pm, Fri 25 July, Timor St. Info: health-enquire@deakin.edu.au or ph 9251 7777.

### INTERESTED IN A CAREER WITH ANIMALS?

Holiday programs are on offer:

‘Winter Wonderland’ is the theme this year.
Career News Continued

Healesville Sanctuary - a chance to get close to some of our most endangered alpine animals. The Keeper for a Day program allows you to help keepers and learn about their job.

Vet for a Day, Healesville Sanctuary - see the vets working with real life cases

Keeper for a Day at Werribee Open Range Zoo - find out what a keeper’s day is really like.

LAW AT THE UNIVERSITY OF MELBOURNE

The annual Melbourne JD Showcase is coming up. At this workshop, master classes will be held on legal issues like So Sue Me! (what a negligence action is all about); dispute resolution interactive session, refugee law, and the environment – who is responsible for contamination? The Showcase will give school students an interactive experience, combining sample law classes with information about Melbourne Law School and the JD degree. When: Wed 2 July; Cost: $66 (incl morning tea and lunch); Registration and payment: by 25 June at www.jd.law.unimelb.edu.au/schools; Info: Yvonne Au, 8344 8879, y.au@unimelb.edu.au.

A CAREER WITH BOATS?

The 2014 Boating Industry Association Boat Show will have a stand offering a range of information about careers associated with the boating industry including boat and engine manufacturing and retailing, marine accessories manufacturing and retailing, boat and marine engine repairs, marine distributing and wholesale, and tourism. Visit stand A36 from 11am-6pm, Thurs-Sun for career advice. Where: Melbourne Convention and Exhibition Centre, Clarendon St, Southbank; When: 11am-6pm, Thurs 12 – Mon 16 June. (Some free tickets are available for students from kaz@oellen.org.au). NOTE: Are you aware that the Australian Maritime College in Tasmania offers courses from certificates through to degrees in areas like boating, fishing, engineering and maritime architecture? Check out courses at: www.amc.edu.au.

WANT TO STUDY ACCOUNTING?

Many accounting firms offer cadetships to Year 12 students planning to study business/ accounting at university. For example, Deloitte, EY, PwC, KPMG, and many others offer cadetships. The usual arrangement is that cadetship holders study part-time and work with the company offering the cadetship part-time. This means that recipients gain real-world work experience, are likely to be offered employment on completion of their degree, and are financially rewarded. A good starting point to find out what is available is at:

EXPERIENCE RMIT

If you are considering studying at RMIT, and in Years 10-12, don’t forget the RMIT ‘Experience Days’ and Tours on offer in the coming holiday break. They cover marketing, advertising, public relations, journalism, engineering,

information systems, science laboratory visits, a science day, a trades’ day, and many more. See details at www.rmit.edu.au/experiencedays and www.rmit.edu.au/appliedsciences/discover. Compiled by: M. Walker

Bright Lights

Our Term 2 Rangeview Campus Bright Lights concert will be held in 2 Sessions

Wednesday 25 June

Prep - 4: 9.50 am

Years 5 - 8: 11.30 am

Due to the size of our theatre, we ask that parents where possible only attend the session that your child is performing in.

It is predicted that each session will run for approximately 70 minutes.

The Thursday choir will perform in the first session only.

Lost Property

Lost - Silver I.D Bracelet, lost in school grounds on Friday 16 May. ‘William’ engraved on the front, with further engraving on the back. Bracelet is of sentimental value. If found, please return to the Rangeview Campus General Office.

EXPERIENCE RMIT

If you are considering studying at RMIT, and in Years 10-12, don’t forget the RMIT ‘Experience Days’ and Tours on offer in the coming holiday break. They cover marketing, advertising, public relations, journalism, engineering,
