• 14 May - NAPLAN Testing
• 15 May - NAPLAN Testing
• 23 May - RC Winter Sport Round Robin 4
• 29 May - Assessment & Report Day - No Students Required at School
• 9 June - Queen’s Birthday Holiday
• 19 June - Year 9 & 10 KIOSC Excursion

Inside this issue:

COLLEGE INTERSCHOOL SPORT UNIFORMS
With money raised in our 2013 fun run we purchased new College sport tops. These multi-sport tops and basketball singlets belong to the College and will be worn by students when competing in interschool competition.
EXECUTIVE PRINCIPAL’S REPORT

PRINCIPAL ADVERTISEMENT

My two year appointment as Executive Principal of the College will conclude at the end of this term. As I am unable to make the long term commitment that I believe is essential for this position, particularly as we move into the next phase of our exciting future, I will not be continuing in my role. Accordingly, a selection process for a new Principal for the College will commence immediately. This will be an extensive process and one in which College Council was briefed by a Senior Advisor from the Department of Education and Early Childhood Development on Wednesday evening. I have no doubt that the process will engender widespread interest from prospective applicants and will enable the selection panel to make a highly suitable appointment. The community will be informed of the new appointment once the selection process has been concluded.

ANZAC DAY SERVICES

It was a pleasure to see both campuses hold commemorative services last Thursday 24 April. It was also wonderful to see the respect our students have for such important events in our national history. I have lost count of the number of students and staff who indicated to me that they attended either the dawn service at Boronia or alternately, the event at the Shrine. This interest amongst our young people is characteristic of the interest shown elsewhere in the country which in itself is wonderful to see.

YEAR 6 SECONDARY TRANSITION FORMS

The parents of all students in grade 6 should have now received in the mail, the transition forms associated with selecting a secondary college. The following should have been included in the information pack:

- Letter to Parents (from the Regional Director)
- Frequently Asked Questions (Parents)
- Schools in North Eastern Victoria Region with Year 7
- Application for Year 7 Placement Form
- Privacy Notice

We are hoping that the vast majority of our Grade 6 students will stay with us as we continue the journey in the development of our College. All Application for Year 7 Placement forms must be returned to the General Office by Friday 23 May. Parents with any questions regarding the process should contact either Mrs Dunbar or myself.

ASSESSMENT AND REPORTING DAY

Some advance notice to parents and guardians that Thursday 29 May is the Assessment and Reporting Day for the College and students will not be required at school. Assessment and reporting in schools is an ongoing process but as we near the end of each semester, the compilation, finalisation, production and checking of student reports takes a significant amount of time for teachers which is in addition to their normal day to day classes. Parent / Student / Teacher meetings to discuss student progress as reflected in semester one reports have been scheduled for the last week of term at the Rangeview Campus. Further details in relation to these meetings will be published in coming weeks. A second Parent / Student / Teacher meeting process will be held at the Mount View Campus mid Term 3.

TRAFFIC MANAGEMENT

Once again we have been disappointed by the non-commencement of works at both the Rangeview Road drop off point and the Albert Avenue bus area which was scheduled for the holiday break. I will keep parents advised of when these works are likely to occur once I gain some information from both the Knox Council and Public Transport Victoria. A reminder that when dropping off or collecting students from the Albert Avenue entrance to be mindful of students and parents and not exceed 10km/h. Parents are asked to drop off students outside the main entrance in the morning to help minimise congestion and to maximise safety. Many thanks to those parents who have arranged to collect their son/daughter 5 – 10 minutes after the end of the day as this also helps to reduce congestion. We hope to have signage erected within the Albert Avenue entrance shortly.

NAPLAN TESTING PROGRAM

The National Assessment Program – Literacy and Numeracy (NAPLAN) 2014 for Years 3, 5, 7 and 9 students will be held on Tuesday 13 May, Wednesday 14 May and Thursday 15 May 2014. NAPLAN tests assess student knowledge and skills in Writing, Reading, Language Conventions (spelling, grammar and punctuation) and Numeracy.

The results of the tests provide information for students, parents, teachers and principals which can be used to improve student achievement. All students are expected to participate in the NAPLAN tests. During test week, catch-up tests will be available for individual students who are absent on test days. These students may undertake catch-up tests on the days in the test week after the scheduled test, up to and including Friday 16 May 2014.

Support can be arranged for students with disabilities, if the student regularly uses similar support for classroom assessment tasks. Large print, braille and black and white versions of the tests are available for students that require them.

Exemptions may be granted to students with significant intellectual disabilities and to students who have been learning English for less than one year. If your child is eligible for support due to disability or an exemption, you should discuss this with his/her teacher prior to the tests. Parental consent is required before any support due to disability or exemption is granted.

Students may be withdrawn from NAPLAN by their parent or carer. This is a matter for consideration by parents and carers in consultation with the principal. If, after consultation, you decide to withdraw your child, you must sign a Student Withdrawal form. These forms are available at the school.

Later in the year parents will receive their child’s personal NAPLAN report. The report will describe the child’s particular skills in Reading, Writing, Language Conventions (spelling, grammar and punctuation) and Numeracy. The report will also show how the child performed in relation to national minimum standards. These describe the minimum acceptable standards for students across Australia. For more information about the tests, please visit the VCAA website at www.vcaa.vic.edu.au or the NAP website at www.nap.edu.au

Ross Bevege - Executive Principal
WET, COLD WEATHER

A reminder to all parents to be well prepared for the winter months as far as uniform is concerned. This is the last year of transition from the old uniform to the new uniform. If students are in the new uniform they need to be in it totally, not partially. This applies especially to black leather shoes and grey or white socks. Black socks or black tights/stockings are not part of the uniform. All students should have a College jumper or jacket. If there are any problems purchasing uniform, parents are encouraged to contact myself or Judy Triffett to discuss options for support. If a student is out of uniform for whatever reason, a note from home should be provided. Please label all items of uniform clearly with your child’s name. It is much easier to return items of uniform to students if they have their name on the label. I am delighted to see a number of middle years’ girls in the winter uniform. They look fantastic!

WET, COLD MORNINGS

Staff are not scheduled to commence yard duty in the mornings until 8.40am. We urge parents to arrive as close as possible to this time. Many staff arrive well before 8.40am and use the time before their students enter the classrooms to prepare class materials, attend a staff meeting (on Wednesday), correct work and so on. If the weather is really unpleasant we will let children into the buildings but request they sit or play quietly under parent supervision (P-2 students) until yard duty time commences. Older students have sheltered areas they can stand under. Either Ross or I will oversee supervision earlier than 8.40am if required. If it is declared a wet weather morning, all students will be supervised in their classroom by their teachers after 8.40am. When the building program is finished each building will be linked by a covered walkway, this will be wonderful in wet weather!

FOLLOW UP WITH A REPRESENTATIVE FROM LOWES

Near the end of last term an opportunity was provided for parents with concerns about items from the new uniform range to meet with parent representatives from College Council to air their grievances. We were unable to meet with a representative from Lowes until this week. Outcomes from this meeting will be published in the next Newsletter.

UNIFORM SUB COMMITTEE MEETING

The Uniform sub-committee from College Council is also meeting this week to discuss a few parent requests concerning uniform and to ensure we are all on the same page regarding the colour of tights, scarves etc. I am sure all parents want us to get the uniform ‘right’. A full report will be included in the next Newsletter. We urge parents to support us in our quest to build a positive culture where our students wear the Boronia K-12 College uniform with pride.

Kate Harnetty

NAPLAN Year 9

Parents of students in Year 9 should note that the NAPLAN tests will be conducted on 13, 14 and 15 May 2014. Please note that all students in Year 9 will need a working calculator for the Numeracy tests.

While it is important that we do not cause stress about NAPLAN, students will undertake the tests under exam conditions and it is vital that you speak to your child about the importance of doing his/her best and making full use of the allocated time. It is also essential that students practise the skill of concentrating on a task for an extended period of time, and this is something that can be reinforced at home through quiet reading, a writing task or basic numeracy tasks such as adding the cost of shopping items.

You will soon receive a letter with a more detailed description of NAPLAN. Please read the letter carefully and ensure that your child knows what is expected on these days. Remember to emphasise to your child that the testing assesses skills that are developed over time in literacy and numeracy, and is not a ‘pass or fail’ test but an indication of how your child is progressing against national standards. An individual NAPLAN report will be provided to each parent later in the year.

If you have questions about the tests, please ring me for more information. In special circumstances a parent may choose to withdraw their child from the tests. This must be discussed with me first, so please contact me well in advance of the NAPLAN tests if you wish to investigate this pathway.

If you have any other questions about NAPLAN, call the College phone number 9760 4900, and ask to speak with me.

Interim Reports/Student Learning Conferences

Student Learning Conferences for Years 9 to 12 were held last Monday, and we were very pleased with the large number of parents who came to discuss their child’s learning. If some of you missed out on this opportunity and would like some additional information to explain the Interim Report, please contact the relevant person at the school to organise a written progress report. It is not feasible to get all your child’s teachers together, but we can provide more detail.

Semester Reports

It is a good time to have a discussion with you child about the importance of being organised, up to date, and making a genuine effort in all subjects, as it won’t be long before teachers begin to write the Semester one reports for students. The weeks are flying by and the scheduled Assessment & Reporting Day is on Thursday 29 May – only four weeks away!

Reading the Newsletter

Please ensure that you read the Newsletter each week as there are many events and activities this term and you and your child need to informed, organised and ready to participate actively in these.

Judy Triffett
Mount View Campus Principal

STUDENT FREE DAY

Thursday 29 May
Assessment & Report Writing Day, both Campuses
NO students required at school
Anzac and Easter

Anzac and Easter are significant times for many of us. The 100th anniversary of the original ANZAC landing at Gallipoli will be celebrated next year. Each year there are ANZAC marches, with people of all ages gathering around Australia, at Gallipoli and in other places, to remember the sacrifice of soldiers for our freedom. At Easter Christians remember another sacrifice, that also brought freedom and new life. Easter eggs, hot cross buns and church services help us remember this event.

It amazes me how each generation has to learn by doing things the hard way, rather than from listening to the previous generation. I was once a teenager, so I guess I was also pushing the limits to see how life would be for me. Sometimes there are ‘new’ research outcomes announced, and my wife Bonnie and I think – ‘you’re kidding! – they spent heaps of money to discover what we and many before us have known for generations’.

During the past year or so, I have been working on my memoirs. I look back over many experiences in my 60 years. Although some were very difficult, like my parents splitting up, Dad’s cancer and death, or my brother’s clinical depression, I can accept those as being part of life, and can even be thankful for the way I have been helped through these times by faith and loved ones. I can also say that there are lessons I have learned from the past, about how to approach life.

There are lessons that we can learn from both Anzac Day and Easter. Out of the dark times can come hope for the future. We can connect with life-giving attitudes and actions in our own lives, that will give us the best way forward, like letting go of the past, being thankful for people in our lives, and making the most of the ‘now’, whatever it looks like. May your ‘celebration’ of Anzac Day and Easter be one that brings meaning and hope.

During this term, I will feature Books of the week: I have read two of Mitch Albom’s books; ‘Have a little faith’ and ‘Tuesdays with Morrie’ [which I also have on movie]. These true stories speak of significant connections between the author and other people towards the end of their lives. Nothing is more important than relationships in life.

A Round Tuit

Many years ago, I was given a Round Tuit. For someone who often procrastinated, this was a good challenge. We often put off things we don’t want to do. However, these tasks usually don’t go away. How good and satisfying it feels when we actually complete them. I wonder if there are things that you might be putting off, especially regarding relationships.

Perhaps this can inspire you to take the first step – to re-newing, reconciliation, healing of past disappointments or hurts.

I know how relieved and thankful I was when my relationship with my best male friend Andrew was renewed after 18 months. It was just a small moment that began the time of missed friendship, and it just took another small moment of courage to heal.

Community Spot

Here are some local programs which are being offered during Term 2:

Tuesdays 13 May – 17 June 9.30-12pm at EACH, 14 Silver Grove, Nunawading
A free event, ‘SHINE’, for young women aged 14-17, covering topics such as body image, identity, and relationships. For details or to make a referral, contact Rhianna Perkin or Youth & Family Intake on 9871 1802 or email youthandfamily@each.com.au

Thurs 27 May 9am-1pm at Foothills Conf’ce Centre, 48 Edinburgh Rd, Mooroolbark
Dr. Michael Carr-Gregg will speak on Cybersafety – Free event, with morning tea & lunch provided. Reply by Tues 20 May to Samantha Ruckle, s.rukle@yarraranges.vic.gov.au Phone: 9294 6716

Alan Silverwood
Chaplain
silverwood.alan.a@edumail.vic.gov.au

The Chaplaincy program is funded through the Federal Government & Community support. This is a voluntary
Reminders

‘At Monash’ seminars - Architecture 29 April; Interior Architecture 30 April; Psychology 1 May; Medicine and Biomedical Science 6 May; Law 7 May; Health Science and Social Work 13 May; Education and Nursing 20 May. More dates and bookings: www.monash.edu/seminars

Explore Deakin University – Parent and student tertiary information nights: Melbourne Burwood: 6-8pm, Wed 21 May; Geelong Waterfront: 6-8pm, Wed 28 May;
See: www.deakin.edu.au/parent-and-student

www.monash.edu.au/study/life/indigenous

UMAT – Registrations close: 6 June; UMAT test date: 30 July 2014.

VCE AND CAREERS EXPO - ‘The Age’ VCE and Careers Expo is Victoria’s largest education and careers fair. Universities, TAFEs, private providers, and many others will have representatives there. Get your questions answered, collect information, and be informed. When: 9am-3pm, Thurs 8 & Fri 9 May; 10am-4pm, Sat 10 & Sun 11 May; Where: Caulfield Racecourse; Cost: $10 (family concession); www.vceandcareers.com.au

CHECK OUT THE UNIVERSITY OF MELBOURNE – If you would like to find out more about Melbourne degrees, you may wish to attend a ‘Focus on Melbourne’ seminar. Explore your options, meet staff and students, and hear about courses and careers.
27 May – Focus on Commerce
28 May – Focus on Environments
3 June – Focus on Science
4 June – Focus on Agriculture
10 June – Focus on Law
11 June – Focus on Engineering and IT
18 June – Focus on the Conservatorium of Music
25 June – Focus on the Victorian College of the Arts (VCA)
More information and bookings:
www.futurestudents.unimelb.edu.au/events2014

PHARMACY AT MONASH UNIVERSITY As of 2015, the Bachelor of Pharmacy degree will be re-titled to Bachelor of Pharmacy (Honours) and the Bachelor of Pharmacy (Scholars) will be re-titled to Bachelor of Pharmacy (Honours) (Scholars). All students considering the Bachelor of Pharmacy in 2015 should be aware that the Supplementary Information form will no longer be required when applying for the course through VTAC. In addition, the Bachelor of Pharmacy/Commerce double degree has been discontinued.

DO YOU WANT TO EXPLORE A CAREER IN MEDICINE? Deakin University is holding an Information Evening at the Geelong Waurn Ponds Campus (where Deakin offers their post-graduate medicine degree).

Delivered by the School of Medicine, you will learn about the courses and pathways available in medicine and optometry at Deakin. When: 6-7.30pm, Tues 20 May. Details to follow. (NOTE: Medicine is also offered in Victoria by Monash University (undergraduate and post-graduate degrees) and the University of Melbourne (post-graduate degree).

WHAT IS SPEECH PATHOLOGY? Speech pathologists (or therapists) diagnose and treat people with communication disorders (eg speech, voice) and people with problems swallowing or eating. They may work with people who have a cleft palate, delayed speech, stuttering or brain damage, and work with other health professionals. A number of universities in Victoria offer degrees in speech pathology. Australian Catholic Uni., La Trobe Uni and Charles Sturt Uni at Albury-Wodonga (a NSW university) all offer 4-year degrees. Speech pathology can also be studied at the University of Melbourne where students first complete a 3-year undergraduate degree followed by a 2-year Masters in Speech Pathology. The Clearly-in ATAR last year for ACU was 85.20, La Trobe (Bundoora) 90.15 (Bendigo) 83.10, and Charles Sturt 75.00. Note: last year’s ATAR is only a guide – students are sometimes offered a place with a lower ATAR because they did well in certain subjects (receiving a Subject Bonus), or because they had a Special Entry Access Scheme (SEAS) application due to some disadvantage experienced in their education. ATARs move up and down according to factors like the number of applicants for a course, the applicant’s ATARs, and the number of places available.

INTERESTED IN A CAREER IN IT, GAMES OR TELECOMMUNICATIONS? Box Hill Institute has an Information Night where you can learn about courses leading to careers in IT, Games or Telecommunications. You can also meet teachers and check out facilities. When: 6.8pm, Mon 2 June; Where: Room N1, G 32/33, Nelson Campus, cnr Nelson/Whitehorse Roads; Info/bookings: Ph 9286 9830, ict@boxhill.edu.au.

BIOLOGY AND CHEMISTRY SEMINARS The Faculty of Pharmacy and Pharmaceutical Sciences at Monash University (Parkville campus) is offering support to current Unit 3 & 4 Biology and Chemistry students. Seminars are designed to reinforce key learnings, delivered by qualified VCE teachers. Dates: Biology - 5.30-7pm, 4 June, 27 Aug and 8 Nov (one already been held); Chemistry: 4.30-6pm, 11 June, 3 Sept and 15 Oct (one already held). Where: Monash University (Parkville), 381 Royal Parade, Parkville; Cost: Free; Register: www.monash.edu/pharm/about/events/vce-seminars.html; Info: Tom Day, phone 9903 9594, tom.day@monash.edu.

CAREER DISCOVERY IN FASHION AND TEXTILES To assist you in selecting the most appropriate fashion program, RMIT Fashion and Textiles is conducting a Career Discovery in Fashion and Textiles program. It will cover trends in the industry, courses available, and practical activities. Career options in fashion and textiles are diverse and multi-faceted and RMIT’s School of Fashion is acutely aware of the skills and knowledge required by graduates to participate and positively contribute in today’s competitive marketplace. Educational programs and pathways servicing this industry and the skills and knowledge they provide are specifically varied in content and focus. Who: Year 11 and 12 students; When: 9.30am-4.30pm, 1-3 July, 2014 (three days); Cost: $350; Enrol: Contact RMIT Training on 9925 8111.
Junior Rockers

Junior Rockers is currently offering lessons to Boronia K-12 College students in guitar, keyboard/piano and drums.

The lessons are run weekly after school at Boronia K-12 College. You can choose private lessons ($27/lesson) or shared lessons ($20/lesson). Shared lessons have a maximum of 2 students.

For more information or to apply for lessons go to: www.juniorrockers.com/apply Or 1300 46 7625.

Compiled by: M. Walker

PARENT AND STUDENT TERTIARY INFORMATION NIGHT – Deakin University is offering an evening where you can start to plan your VCE, university and career. Find out about courses, VTAC applications, prerequisites, costs, scholarships and pathways to university. When: Burwood campus – 6-8pm, Wed 21 May; Geelong Waterfront campus – 6-8pm, Wed 28 May.

A YEAR WITH THE DEFENCE FORCES – If you would like to earn good money, make new friends, and get great training, the Army is currently recruiting for roles with only a 12-months commitment. After a year you can choose to stay in the Army or use your training elsewhere. To find out more go to a One Year Roles Information Session. When: 5.30 (arrival time) for 6pm start (7pm finish), Wed 7 May; Where: Level 14, Reception area, 501 Swanston St, Melbourne; RSVP (essential) to: CPTVIC@dfr.com.au.

BACHELOR OF LAWS AT VICTORIA UNIVERSITY – Taught in the former Births, Deaths and Marriages building, a small campus in Queens Street, Melbourne, VU’s approach to learning combines theory with practice. VU’s partnerships with the courts and community legal services give students a unique exposure to the real experiences of the justice system. These opportunities challenge students through practical experiences for a rewarding career in law that could range from working for government, the community or in private enterprise. Information: www.vu.edu.au/courses/bachelor-of-laws-blaw.

INTERNATIONAL STUDENT ADMISSIONS TEST (ISAT) – ISAT is a three-hour test comprised of multiple-choice questions and used by Australian universities to assist their selection of international students for some undergraduate and postgraduate courses. The ISAT measures general academic abilities considered important for coping with the intellectual demands of most tertiary courses; it also assesses critical reasoning and quantitative reasoning. ISAT is required for a number of Australian degrees such as Medicine at Monash University, and for the Universities of Tasmania, Western Sydney, Western Australia, Queensland and of NSW, for Veterinary Science at the University of Sydney, and for Dentistry at the Universities of Queensland and Western Australia. ISAT is delivered by Prometric, and there are over 5000 Authorised Prometric Testing Centres around the world, with tests available between April and February. You can select a test date at one of these centres convenient to your location. Info: http://isat.acer.edu.au, email isat@acer.edu.au.

Thank you to the community for a great and eventful Term 1, together we raised:

School Banking - New Accounts $ 105.00
School Banking - Deposits $ 58.71
Hot Cross Bun Drive $ 164.00
Annual Easter Raffle $ 678.00
Total $ 1005.71

Looking forward to another action packed Term with lots of fun activities planned:

Adidas School Fun Run

Continue to collect sponsors for the School Fun Run. Remember you can Online Fundraise to make it easier. Just register at schoolfunrun.com.au. Share your online fundraising link with friends and relatives and they can donate on line. Students can also track their progress! Dates will be announced for collection of donations. Raised funds will be used to purchase equipment required for major college sporting events and sports days, including sun shelters and walkie talkies.

Entertainment Books

The youngest member of your family will have brought home a notice last week in reference to Entertainment Books. These books are packed with hundreds of up to 50% off and 2-for-1 offers for many restaurants, cafes, hotel accommodation, attractions and activities. For $65.00 you can purchase a membership in the traditional format or a digital format. The book contains $20,000 worth of valuable offers to be used until 1 June 2015. Take a look at the offers available by logging on to:

or looking at example books available in the office areas of each campus. To order your copy complete the form sent home or pay securely online at:

$13.00 from every purchase will be donated to Boronia K-12 College to assist with the landscaping of the E.L.C. and literacy and numeracy programs for Prep – 12.

Mothers Day Stall

Mothers Day stall will be held on Friday 9 May. More information will be sent home closer to the date.

Major School Fundraiser

Once again we will be organising a major night fundraising and social event. As part of this evening we will be operating a Silent Auction and would love some donations. If you own a business or work for an organisation that would kindly donate something, we would love to hear from you. Please contact Michelle Phillips on 0403 161 171 or Donna Eagle on 0434 892 185. In return for your support we would advertise your organisation in our weekly newsletter distributed to over 400 families, exposure on our College website and advertising at the fundraising event. If you would like to assist with any events or activities, come along to a Parents’ Club Meeting or contact Michelle Phillips or Donna Eagle, we would love to see you.
