**Term 3** - 11 July - 16 September  
**Term 4** - 3 October - 20 December

### BOOK WEEK

Today, Friday 26 August, the College celebrated Book Week with our annual dress up day! With plenty of staff and students getting in on the fun, a fantastic time was had by all!
Greetings,

Whilst we are not yet at the end of Term 3, planning is well underway for the 2017 school year. This involves the formation of classes and subjects across the College, the selection of appropriate resources to support subjects offered, the identification of staffing needs and subsequent advertisements and appointments. Much of our planning is reliant on an accurate assessment of student enrolments. Although we have a clear understanding of the numbers to be enrolled in Year 7, this is not the case for our Prep (or Foundation) enrolments. I encourage all parents with eligible children intending to enrol in Prep/Foundation for 2017 to do so by the end of this term. This would help us in our planning. To start Prep, (the first year of primary school), your child needs to turn five by 30 April of that year. Your child must be at school in the year they turn six, which is the compulsory school-starting age.

The formation of our Prep to Year 6 classes at Boronia K-12 College is a comprehensive process. A number of factors are taken into account when placing students in particular classes.

These include:-

- the student’s academic abilities and potential
- their social competencies
- their unique learning requirements
- their friendship group
- previous relationships with students and teachers

Our aims when forming classes is to achieve a ‘balanced’ grouping in all classes, including a balance of the above attributes and a balance of gender and student numbers. Moving children from one class to another is not a simple exercise particularly when it impacts on those aims stated above.

Parents are welcome to submit a placement request based on the educational and social needs of your child/children. Naming of a preferred class teacher or nominating your child’s preferred friends, is not part of this process. (Students already get the opportunity to identify friends they’d like to be with). Written requests are to be addressed to me and marked confidential. These must be forwarded to the office by Friday 7 October (the end of first week of Term 4). Verbal requests will not be considered. Only this year’s letters will be considered, so please do not rely on letters or conversations from previous years. Please note that that we cannot make any guarantees that your request will be met.

I am pleased to inform our school community that Spanish will be the language our students will learn in 2017. It is our intention to offer Spanish as a specialist class all year in Prep to Year 6 (all students), as a ‘Taster’ elective in Year 7 (where all students would have the opportunity to study Spanish for 6 months of the year), and as an elective subject in Years 8 to 10. We have advertised for a teacher of Spanish and look forward to the commencement of a dynamic and engaging languages program in 2017.

Congratulations to Linda Cugliandro, Nicole Harvey and Karis Galloway (Out of School Hours Care) who have all announced their impending motherhood. Congratulations to Corrinne Molly who is expecting her second child. We wish all our mums and mums-to-be the best as they commence or add to their existing family.

Rachel Gardiner, Assistant Principal (Curriculum) is taking leave for the remainder of the school year. She will finish next week. The position of Assistant Principal (Curriculum) will be filled by Matthew Scammell, currently our Middle Years Team Leader. This will necessitate some minor changes in staffing in the Middle Years team. These changes will be announced shortly.

I encourage all parents with any concerns about their child or school program to contact that child’s teacher in the first instance. If you are not satisfied with the response from your child’s teacher you are encouraged to make contact with their Team Leader and then a member of our Principal team should you still seek resolution.

David Rose
Principal
Assistant Principal’s Report

ASSISTANT PRINCIPAL (CURRICULUM)

It’s with great sadness that I report that this will be my final newsletter report for 2016 as I am taking extended sick leave from Thursday 1 September for the remainder of this year due to personal health reasons. This decision has not been an easy one for me to make, but I believe it is in the best interests of Boronia K-12 College that we have an Assistant Principal (Curriculum) who is available to work full time for the remainder of this year. Unfortunately I am unable to do that at this time.

I have enjoyed working with many students and parents across this year and last and I thank you all for your kindness and support. I will miss many of you.

I anticipate my replacement will do an excellent job and will provide students and parents with great support. Again I thank you all for your support and encouragement in my Assistant Principal role and I hope to touch base with you all again in the future.

BOOK WEEK

The Book Week day was a lovely day had by all! It was wonderful to see so many students and staff get dressed up for the occasion. Brooke Cross and I especially enjoyed being Tweedledee (Ms Cross) and Tweedledum (Ms Gardiner) for the day and celebrating the Alice in Wonderland theme with our office staff! Thank you to all staff who played a part in organising this day, as well as parents for arranging the fantastic costumes for their children.

STAFF PROFESSIONAL DEVELOPMENT DAY

Staff had a great day last Thursday 18 August, when they attended school to undergo their own learning around the Victorian Curriculum that is to be introduced into classes for 2017. Staff spent the day learning more about the curriculum changes, plus they spent time working in teams on planning and curriculum documentation. I am sure all the students enjoyed a day away from school to reboot their energy levels too. We thank all our parents and school community for the opportunity to hold this student free day. I was much appreciated by our staff.

2016 NAPLAN RESULTS

Your child’s 2016 NAPLAN results were sent home with your child on Thursday. If you have any questions, please make an appointment to see your child’s teacher.

Years 7 – 12 PARENT TEACHER INTERVIEWS

The Semester 2 parent teacher interviews will be held on the final Thursday of this term for Years 7 -12. Your child’s interim report and details for online bookings will be posted home closer to this date. Parents who have trouble making a booking online, please talk to the General Office and they will assist you to make a booking. We encourage all parents to attend this evening to speak to their child’s teachers and ask you to bring your child along to be part of the discussion about their progress. As we get closer to the end of the school year it is important that students and parents find out from their teachers what they need to do to best support them for the expectations of the year ahead to make the transition as smooth as possible.

Parent Teacher interviews are scheduled from 3:45pm – 6:45pm on Thursday September 15.

Rachel Gardiner

Assistant Principal (Curriculum)

Tips & Hints

Do you give your kids experience, or things?

There’s a range of research that says experiences bring people more happiness than material goods.

The same principle applies to family life.

There’s a temptation in our current culture to ply our kids with stuff.

It’s hard as kids want stuff – clothes, toys, gadgets, technology. The reasons are varied including:

“…because it’s new.”

“…all my friends have one.”

“…you’ve always given me stuff.”

Differentiate between needs and wants

One filter you can use when kids come to you asking for stuff is to ask, “Is this something you need or something you want?”

Kids often want a great deal of stuff but they don’t necessarily need stuff.

Help them understand the difference.

Better to spoil them with experiences such as:

- One-on-one time with a parent (do something together)
- Two–on-one time with parents (spending time with both parents)
- Going somewhere new and fun (a park, museum or movie)
- Doing something outside (walking, playing a game, camping in the backyard)
- Doing something risky and new (giant swing, catching a train alone and meeting them at the station)

The list of experiences you can provide is endless so you don’t need me to point them out.

But think about the experiences versus the stuff that you provide for your kids. If you err on the side of giving kids heaps of stuff at the expense of experiences, then I encourage you to swing the pendulum the other way.

Doing so will save you money and take more of your time, but will result in richer relationships and a myriad of memories sure to outlast any stuff you buy them.

(Taken from Michael Grose – Parenting Ideas Newsletter)
Off Track Bushwalking Excursion on the Mornington Peninsula

Recently Year 8/9 Off Track Elective students participated in a bushwalking excursion to the Mornington Peninsula. Students walked a section of the Coastal Walk along the back beaches of Rye through to Sorrento Back Beach. The bushwalk involved students hiking 11km making lots of stops along the way to check out the many beaches and rock pools. Some of the highlights of the walk were the rock pools at Dimmicks Beach, the rock formations at Bridgewater Bay and the views over Bass Strait and Port Phillip Bay from St Pauls Lookout. Throughout the walk students were able to draw upon some of the skills they have been developing this term so far including navigation, map reading, minimal impact, group management and teamwork. The weather was great with the sun shining for the entire day. Although most of the students were a bit tired and sore at the end of the walk, we all had a great day!
Off Track Bushwalking Excursion on the Mornington Peninsula

Student Banking Competition Reminder

HEAPS OF PRIZES TO BE WON!
200 magazine packs, 90 instant cameras and 50 camping kits

For a chance to win ONE OF 50 PLAYSTATIONS 4s
Also complete the fun activity on:

HOW TO ENTER
Simply bank three times at School this term.
No Minimum deposit – even a single coin will do!
Student Welfare

Why is breakfast the most important meal of the day?

Breakfast means ‘break the fast’, as the previous meal is typically 8–10 hours before waking up in the morning. Breakfast is important in re-fuelling the body with energy and nutrients, kick-starting the day. If breakfast is skipped, the result can be feeling lethargic and tired and lead to difficulty concentrating and behaviour difficulties in the school environment.

Why is breakfast important for children?

Breakfast provides children with energy and essential nutrients, including iron, calcium and vitamins B and C, which are necessary for growth, development and good health. Children who eat breakfast each day are much more likely to meet their daily nutritional requirements, as a good quality breakfast can provide a child with up to a third of their daily nutrient needs.

Children who don’t eat breakfast may not make up for the nutrients not consumed within the rest of the day’s intake. Eating breakfast can also reduce the risk of overweight and/or obesity, as breakfast is often replaced by mid-morning snacks that tend to be high in fat, sugar and salt. Skipping breakfast can also lead to over eating throughout the rest of the day, increasing the risk of becoming overweight or obese.

How can breakfast affect children while at school?

Children who have eaten breakfast can concentrate better and have a longer attention span, helping them to learn and study better. They can also perform better physically after eating breakfast as there is more energy available to their muscles. Breakfast can improve behaviour and mood, as children have better concentration and aren’t tired or hungry.

Benefits of a breakfast program (for students who have not had breakfast at home)

- Providing essential nutrition for children and adolescents
- Better health and learning outcomes
- Socialisation
- Increase participation and engagement at school

While we encourage students to come to our breakfast club program we encourage parents to consider providing their children with a wide variety of food choices for breakfast.

We all live busy lives and complain of being ‘time poor’, however, a little forward planning around breakfast and emphasising to children the importance of eating well in the morning will go a long way in increasing good eating habits, better health and learning outcomes to assist them in experiencing success whilst at school.

STEM Column

Prep students have been very busy learning about Fairytales this Term. We have incorporated our unit of Fairytales into many parts of the curriculum. Last week, we investigated Jack and the Beanstalk. We had a HUGE visitor come into the Prep classrooms and leave footprints EVERYWHERE. As a class, we estimated which footprint was going to be the longest and shortest. Afterwards, the students were required to measure the giant’s footprints using a variety of informal materials such as counters and unifix cubes. We then recorded our information onto a data sheet.

Preps also completed a little science experiment this week. We predicted what might happen to Jack’s magic bean. Students needed to wet some cotton wool, wedge a bean in between it and pop it near the sun to help it grow.

Here are some of our responses:

Today I planted my ‘magic’ bean. I think it will grow – Tuyen
I think the beans will grow really high and I am excited to see what will happen. – Mikayla
I think the beanstalk will grow up to the roof and that would be crazy! I do hope it will grow to the top. – Charli
My plant is going to grow big so I can climb up my plant. - Noah
Foundation Art students have been working hard at redesigning several wooden bench seats. Once completed, these chairs will be placed around the school environment. They have been sanding, priming and now starting to add their base coats. Due to the weather not being so kind to us of late, these are a work in progress. Once the sun starts shining down on us regularly their finished designed pieces will be not only be works of art but functional too! Stay tuned for their progress!

With ‘Back to the 80’s’ school musical production just around the corner, the Foundation VCAL Art students contributed by starting the designs for the flats that will be featured on stage for the production. Students were required to add a stippling effect to create a textured background for the set design. They successfully created the intended effect! These large scale flats, will now be painted to create background scenery for the upcoming musical. A big thankyou to the students involved in skilfully manoeuvring these HUGE flats into the art room for the next stage of the process.
The College will not accept legal liability in relation to any advertisements which appear in this newsletter.

**Student Banking**

Don’t forget, Monday is student banking day.

If you wish to make a deposit into your child’s Dollarmite account, please send your child to school with their completed deposit slip in their bank book, alongside the cash you are depositing.

Bank books are collected by your child's classroom or homegroup teacher to be sent to the General Office by 9.30am.

**Prize Lights**

In keeping with this year’s Outback Savers theme, the Dollarmites have discovered Prize Lights in the Outback sky and want to share these spectacular prizes with School Bankers.

**Competition details & prizes**

Students who make three or more School Banking deposits during Term 3 will have a chance to win one of the Star Saver prizes including 50 camping kits, 90 instant cameras and 200 magazine packs.

Excitingly, this year we have a second prize pool available. Students who complete the fun Stargazing online activity, along with making their three deposits during Term 3, will also go in the separate draw to win one of 50 Supernova prizes – PlayStation 4 packs!

We’re also giving schools a chance to win one of 75 bags full of sports equipment, valued at $200, when at least one student makes three School Banking deposits during Term 3.

So, don’t forget to bank!

**Fun Banking Activities**

Want to teach your child the importance of banking, and saving money? Be sure to visit the Commonwealth Bank School Banking segment of their website to download activities and articles aimed to get your child excited about saving money.

Be sure to visit ‘The Beanstalk’:

**The Banking Team**

---

**German Exchange Students**

A number of German Exchange Students, both girls and boys aged 15-18, hope to be coming to the area this July for 3, 5 or 10 months. If you and your family feel you would like to host a German student during their stay here or even part of it, can afford an extra person at meal times, and have a spare bed, please contact Klaus Schumann, their coordinator, on 03 9758 4279 or by email to let me know of your interest. There is no payment involved. There are students of other nationalities also seeking host families if you wish to enquire further.

Hope to hear from you.

Yours sincerely,

Klaus Schumann

SCCE Community Coordinator

**Bonza Boronia Beanie Bonanza**

Boronia Road Uniting Church is helping harness the winter chills by conducting a hand made beanie competition!

Sew, knit, felt, weave or crochet your beanie, to try and win in one of the following categories:

- Best beanie by a primary school student
- Best beanie by a secondary school student
- Best novelty beanie
- Best beanie by a man
- ‘People’s Choice’ beanie
- Best beanie set

Cool prizes to be awarded in each category!

**Entry Drop Off:** Boronia Road Uniting Church  
Cnr Zeising Court & Boronia Rd  
Boronia VIC 3155

**Entry Fee:** $2.00

Exhibition and judging will take place on **Saturday 24 September**.

Afterwards, either collect your beanie or leave it with the church to find a home through **Mission Without Borders**.

Entries can be lodged at the church office on Tuesday, Thursday and Friday mornings between 10am and 12pm.

Can’t knit? Haven’t got a pattern? Contact the church on 9762 6732 for any help you may need.
Year 9 KIOSC Excursion

On Tuesday the 23rd of August, a small group of Year 9 students went to Swinburne University for a KIOSC excursion. We learnt about machines and mechanisms by building different structures out of Lego pieces.

Working in pairs, following an instruction booklet, we had to collect the pieces, and had to build the structures.

As we were building these structures, we learnt how different machines and mechanisms are used in our everyday lives. We edited the structures so that they could move faster or benefit our needs better. All the groups had fun.

At lunch, we all went down to the canteen, and there was a circus performer, teaching us tricks, and a bike that you pedalled to make a smoothie.

It was fun, yet challenging at the same time. But we learnt that persistence and teamwork, got the job done.

Miss C was an expert at the adult sized hula hoop, and all the students were good at the spinning plates. Mrs Ward smashed the boys in table tennis.

School Banking Reminder

Don’t forget that **MONDAY** is School Banking day. Please ensure that your student banking books are handed to the General Office **before 9.30am**
Students in the Year 8 and 9 Sports for Life elective have been participating in a tennis program with local tennis coaches for the past month. This is a pilot program which is funded by Sporting Schools and Tennis Australia and is to help promote physical activity and participation in tennis throughout the community. The Sport for Life class participated in two morning sessions at Boronia K-12 College followed by two morning sessions at Batterham Park Tennis Club and will compete in a Tennis Gala Day at Melbourne Park in October where they will test their skills against other schools participating in similar programs through Sporting Schools in their community.

LAST DAY TERM 3
Friday 16 September
Our Art Department are currently on the look out for old CDs and wool of any colour!

If you are able to donate either of these items feel free to leave them at the General Office or send them with your child when they next have an art class.

All and any donations are greatly appreciated!
