Inside this issue:

YEAR 7 BOYS SOCCER

We came, we saw, and we were unfortunately conquered. Despite the defeat, the boys were unbeatable in team spirit. Travis was an enthusiastic and extremely motivated captain for the day. Nothing but encouragement from the moment we sat on the bus. Sensational!
The following matters were discussed at College Council on August. More information on this later.

Uniform implementation issues were discussed.

Religious Instruction Regulation changes were tabled.

The possible outsourcing of our Out of Hours School Care operations was discussed.

STAFFING CHANGES FOR SEMESTER 2

At this stage I can outline the following staffing changes to come into effect from the beginning of Term 3.

Ms Molloy will be replaced by Ms Phillips who has been working in the College this year with the Quicksmart Literacy program.

Ms McLaren Brilli has taken a position at another school and has been replaced by Ms Cugliandro who has worked very successfully in the College earlier in the year.

Mr Davies has only recently indicated that he will be returning to the College at the commencement of Term 3. His role will be determined after consultation with Mr Rose.

Mrs Kors will reduce her time fraction for the second half of the year to 0.8 due to personal considerations.

A report from the Parents Club including feedback on the discos, and a range of fund raising activities including a market day, Bogan Bingo and Entertainment Books were raised.

The E Learning Subcommittee recommended deferring the possible introduction of an electronic device program for years 7 and 10 for 12 months. This decision recognised that our planning and preparation wasn’t sufficiently advanced to maximise the successful introduction of such a program. If and when we do implement such a program, Council is determined to ensure that it is done on a successful basis having learnt the lessons and identified the problems that other schools have experienced from such programs.

Mr Rose also attended the meeting, sharing his excitement about taking over as Principal and a little bit of his background with the group.

BRIGHT LIGHTS

The talent and willingness of our students to perform in front of their peers and parents never ceases to amaze me. This week we had a Prep – Year 4 Bright Lights concert followed by a Year 5 – 8 concert. Congratulations to all performers and to the many staff who supported and encouraged the students to have a go. Particular thanks to Mr Mietzcke and Ms Trounson for their organisation of the event and to our student helpers who coordinated the lights and sound for both concerts. Well done everyone.

STAFFING CHANGES FOR SEMESTER 2

At this stage I can outline the following staffing changes to come into effect from the beginning of Term 3.

Ms Molloy will be replaced by Ms Phillips who has been working in the College this year with the Quicksmart Literacy program.

Ms McLaren Brilli has taken a position at another school and has been replaced by Ms Cugliandro who has worked very successfully in the College earlier in the year.

Mr Davies has only recently indicated that he will be returning to the College at the commencement of Term 3. His role will be determined after consultation with Mr Rose.

Mrs Kors will reduce her time fraction for the second half of the year to 0.8 due to personal considerations.

Ross Bevege

Executive Principal
FAREWELL TO ROSS

It has been a pleasure working with Ross for the last two years. He came to us with a wealth of experience, ideas and connections which helped to reinvigorate our thinking and planning and has enabled us to expand and strengthen the vision for Boronia K-12 College. He has a fantastic work ethic and a highly professional approach to all members of the College community. His commitment to Community Engagement, typified by the Day 2 student /parent/ teacher interviews for the past two years, endless tours etc., has paid off in increased enrolments and a positive community perception of the College.

I wish Ross the very best in his new endeavours and hope he spends some time relaxing somewhere warm in the coming weeks. The staff farewelled Ross after school on Thursday afternoon and the students will farewell him at our final Assembly.

END OF TERM ARRANGEMENTS

There is a different timetable for Friday 27June as follows:

9:00am-11:00am Classes as normal
11:00am-11:30am Recess as normal
11:30am - 1.00pm Normal classes
1:00pm-1:10pm Lunch eating time
1:10pm-1:45pm Outside play (weather permitting!)

Final Assembly (GYM): 1:50pm-2:30pm Science Awards, Aussie of the Month & Staff Farewells
2:30pm: Dismissal. Parents are asked to make alternative arrangements for their children if they are unable to pick them up at this time.

School crossings will be supervised by a member of staff until 2.45pm.

AFTER SCHOOL CARE

Just a reminder that after school care commences at 2.30pm and closes this Friday at 6.00pm. We ask that all children please be collected by 6.00pm. As you would be aware by now there is NO VACATION CARE offered over the holidays due to low participation rates.

PARENT/ TEACHER/ STUDENT INTERVIEWS

Thank you to all who attended our student /parent/ teacher interviews – what a fantastic response on such a cold and rainy night.

I will publish the results of the quick survey conducted by the teachers in our first Newsletter next term. We are curious to know if parents are reading the Newsletter now it is available online and if they are discussing the content with their children.

SPECIAL RELIGIOUS INSTRUCTION (SRI)

You may have noticed recent media attention following the May announcement by the Minister for Education, who issued a new Ministerial Direction (MD141) to provide further direction to schools in relation to Special Religious Instruction (SRI). Many schools offer SRI as (in accordance with the Direction):

“If a principal receives notification from an accredited and approved instructor that the instructor is available to deliver special religious instruction at the school the principal must offer parents of children enrolled at the school the opportunity for their children to be provided with special religious instruction.”

Participation in SRI is voluntary, and schools cannot place children in SRI unless parental consent is provided for a child to participate (opt-in). As the new Direction commences on 14 July 2014 (the start of term 3), a new (prescribed) permission form was sent home to families on Tuesday as it contains all the information required by the new Ministerial Direction to be provided to parents to obtain informed consent. Please return the completed consent form by Wednesday 17 July if you authorise your child (ren) to participate in Special Religious Instruction. This consent form will override any form filled in at the end of last year or earlier this year regarding Religious Instruction.

You can view MD141 and Department policy at:

HEAD LICE

The holidays are a great time to try and get on top of head lice. Please have a thorough look through your child’s hair and if some are found, please treat accordingly. Details for treatment can be found on:

PREPARING FOR TERM 3: UNIFORM

All students should, by now, have the full winter uniform. Remember that the transition period to the new uniform finishes at the end of this year. Therefore when you purchase uniform items they must be from the new uniform list. Your child should also have black leather school shoes. I notice that a number of students are still in the summer uniform e.g. summer dress, shorts. Obviously these items of uniform are not suitable for the colder months (Terms 2 and 3). Please ensure your child is warm and neat in the specified winter uniform.

If your child is not in uniform please send them to school with a note. We request that hoodies are not worn to school. Students who are out of uniform in P-4 will be given an out of uniform slip to take home. Older students are given a consequence if they are repeatedly out of uniform without a note.

The uniform sub-committee of College Council is investigating a warm, water proof navy jacket for the P-4 students and will keep parents informed. This item, if adopted, would not be introduced until 2015.

BULLYING SURVEY(S)

We will be conducting surveys with our students to identify if they feel safe at school. They will be informed in a discussion prior to the survey what constitutes bullying and then they will complete a confidential survey which
includes naming any student who bullies them or bullies others. We will then look at the results and follow up with the parents of any children named multiple times. We are starting our surveys in Level 3/4.

LETTER FROM THE ARCHITECT

I was thrilled when I received a proposal from Anthony in Year 6 outlining his thoughts and a design concept to prevent any small children getting stuck in the handrail attached to the external stairs. Our architect wrote him a very formal reply thanking him for his concept and suggesting he should consider architecture as a future career path. I will introduce Anthony to Jenny, the architect, at our next site meeting. Well done Anthony.

HAPPY HOLIDAYS

It is hard to believe that the school holidays have crept up on us again. Thanks to the staff for their efforts in what has once again been a very busy term. Thanks also to parents, guardians and students for a productive and enjoyable term. I wish everyone a wonderful holiday, hopefully somewhere warm where you can recharge the batteries. If not, enjoy a rest in front of the heater!

Kate Harnetty

Rangeview Campus Principal

Mount View Campus Principal’s Report

REPORTS/STUDENT LEARNING CONFERENCES

Reports for students in Years 9 to 12 will be posted home this Friday. Our next round of Student Learning Conferences for students in Years 9 to 12 will be on 19 August, in the middle of Term 3. More information will be sent home closer to the time, but you will notice that we have changed the timing of these conferences so they are earlier in the term. We feel the information discussed will facilitate more timely feedback for senior students, who are completing coursework at the end of term three and moving into revision/exams during Term 4. We want the feedback to be given in a time frame that allows for improvement or changes, and to confirm whether the student is on track for the end of the year. We also have a number of student programs operating in the last week of Term 3, which will take a considerable amount of time and staffing resources. Interim reports will still be issued at the end of the term, so students and parents can monitor progress and check whether improvements are being made.

UNIFORM

Just a reminder that anyone who is struggling to purchase winter uniform should see me for assistance as soon as possible! It is particularly important in this cold weather to ensure that your children have a jumper and/or jacket for the winter months. The microfibre jacket and blazer are good options for those students who have a reaction to wool, as these items are warm but softer on the skin.

YEARS 9 AND 10 PARENT EVENING

We will hold an information evening on Tuesday 29 July for Year 9 and 10 students and parents. It is most important that everyone attends on this night as we will be discussing special programs for the students and also Careers/Pathways. Both these year levels have events coming up in Terms 3 and 4 (Year 10 WoW Week, Year 9 Connect Camp and City Experience) and it is vital that parents and students attend and hear the information first-hand and also take advantage of the opportunity to ask questions.

NATIONALLY CONSISTENT COLLECTION OF DATA ON SCHOOL STUDENTS WITH DISABILITY

Our school is participating in the Nationally Consistent Collection of Data on School Students with Disability. This Data Collection is taking place in government, Catholic and Independent schools across Australia, and will provide valuable information about supports required for a broad group of students. This will enable Australian and State governments to better target support and resources in schools. This in turn will help schools give students with disability the support they need.

The Data Collection is not limited to students with diagnosed disabilities. It uses a very broad definition of disability, taken from the Disability Discrimination Act 1992 and the Disability Standards for Education 2005, which describe a broad range of health and learning conditions for which schools are required to provide ‘reasonable adjustments’ to support students to participate on the same basis as other students.

The Data Collection will take place during Terms 2 and 3. No personal or identifying information about any student will be included, however, if you decide you do not wish information about your child to be included in the Data Collection, you can opt-out by signing and returning the opt-out consent form. More information about the Data Collection is available on the Department of Education and Early Childhood Development website at:

Mount View Campus Principal
GRADE 5/6 INTERSCHOOL FOOTY COMPETITION

Congratulations to the Grade 5/6 boys and girls who competed in the interschool football competition. It was a fantastic day with some great results and efforts from the boys who played at Lewis Road Reserve and the girls who played at Bayswater Primary School.

The boys fought hard and played well as a team all day and after a couple of comfortable results, they came up against Knox Park, with the winner to make the grand final. Kicking against the wind in the first half, the boys started slowly with Knox Park kicking a couple of early goals and leading 20-0 at half time. After a chat at half time, the team responded in the second half, coming from behind and almost snatching victory, unfortunately going down by one point. Every player showed teamwork, sportsmanship and skill throughout the day and finishing 4th out of ten schools is a fantastic achievement! Special mentions to Liam A, Connor M, Cooper M, Dale O, and Bailey E who showed fantastic leadership and led from the front since throughout the day.

Well done to Grade 4 students Liam G and Ethan P for stepping up and joining in for the day, not looking a foot out of place with Liam kicking four goals and Ethan snapping two as well! Thank you also to all the support from parents and families that came down and cheered the teams on, thanks to Rachel O for taking 400 fantastic photos and lastly to Marcus MacDonald for helping coach on the day. Well done to all on what was a fantastic day!

OPEN NETBALL GRAND FINAL

WOW! What a match we had for the Bayswater District Open Netball grand final last Monday in the gym. Knox Park visited the school during lunchtime to play in the grand final against our mixed team, to play for a spot in the division competition. Although the Boronia K–12 College team had a few early wins in the competition, they knew they were coming up against a good team and were ready for the fight.

The first 3 quarters were neck and neck with neither team able to get more than 3 goals in front. Going into the last quarter, Knox Park had a small advantage of 1 goal which they extended to 4 points with only 4 minutes left in the game. The Boronia K–12 boys and girls kept battling all the way to the final siren. The team stepped it up in the last minutes in front of a massive Boronia K–12 College crowd with fantastic passing and terrific pressure defence, which saw the team score the last 9 goals of the game and going on to win the game 29 – 24.

Well done to the fantastic shooting of Emily S & Leah who moved the whole game and put in many shots while under a lot of pressure! Connor M & Liam A’s outstanding defence on two terrific shooters led to fantastic passing and team work down the court from Vincent, Bailey & Callum. Well done to Jordyn who ran her legs off all day showing great defence and passing into the circle! Thankyou to Charlotte M who put her hand up to play as a back-up when her brother couldn’t play! You were a great support Charlotte, thankyou!

Thanks again for the fantastic support from all the students who came to watch and especially all the families who came and showed their support for the team, it definitely helped! We look forward to moving onto the next level, and welcoming back injured Georgia B and ill Cooper M into the team!

If you know anyone who was a student or a teacher at Upwey South Primary School tell them about our huge 50th Birthday Reunion!
Saturday 9th August  2:00pm - 4:30pm
Chaplain’s Spot

25 Fun Questions

- Why do people order double cheeseburgers, large fries, and a diet coke?
- Why do they call it a TV set when you only get one?
- Why do we leave cars worth 000’s of dollars in our driveways and put our junk in the garage?
- Why does the sun lighten our hair, but darken our skin?
- Why is it called lipstick if you can still move your lips?
- Why don’t you ever see the headline ‘Psychic Wins Lottery’?
- Why is ‘abbreviated’ such a long word?
- Why is it that doctors call what they do ‘practice’?
- Why is lemon juice made with artificial flavoring and dish washing liquid with real lemons?
- Why doesn’t glue stick to the inside of the bottle?
- Why is the time of day with the slowest traffic called rush hour?
- Why isn’t there mouse-flavored cat food?
- Why didn’t Noah sweat those two mosquitoes?
- Why isn’t phonetic spelled the way it sounds?
- Why don’t sheep shrink when it rains?
- Why are they called apartments when they are all stuck together?
- If flying is so safe, why do they call the airport the terminal?
- Why don’t they make the whole plane out of that indestructible black box stuff??
- If nothing ever sticks to TEFON, how do they make TEFON stick to the pan?
- What was the best thing before sliced bread?
- Would a fly without wings be called a walk?
- Have you ever imagined a world with no hypothetical situations?
- What do you do when you see an endangered animal that eats only endangered plants?
- If a book about failures doesn’t sell, is it a success?
- So what’s the speed of dark?

Enjoy this list of imponderable questions as you begin a time of relaxing of your schedule [perhaps], sleep, trips, staying warm in the wintry weather, and some more time with family and friends. See you in Term 3.

My featured book is “Taking care of yourself and your family”, produced by the Government of South Australia and ‘Beyond Blue’ – A Resource Book for Good Mental Health’. You can order copies of this book from Beyond Blue website.

Quilting for Charity

Are you an avid quilter? Do you sew?

Year 9 Students will be constructing a quilt to donate to charity, but we need your help!

If you’re a quilter, and you are interested in helping students learn the art, or if you have fabric you would like to donate, please let us know!

If you would like to help, or would like more information please contact Olga Kowalczuk at the College on 9760 4900.

Donations will be greatly appreciated, and can be handed to either Campus’ General Office.

Olga Kowalczuk - Connect Teacher

Breakfast Club News

This week we ended Breakfast Club for the term with a breakfast of fresh pancakes...and a few cheese toasties thrown in for good measure. This program could not run in the manner it does without the support from members of our school and local community. A big thanks to Boronia Church of Christ who supply us with wonderful volunteers and help by providing food. Thanks to Bakers Delight who assist by donating bread each week. We also have a number of Year 8 students who volunteer as a part of the Connect program and help by setting up, preparing and serving their peers and doing the vital clean up at the end. Your contribution is greatly appreciated.

Did you know that...

- On an average Tuesday morning we have well over 50 students join us for a breakfast and that, at times, the number soars above 70.
- Kinder kids, parents, teachers, primary and secondary students and the occasional grandparent join us for breakfast and a good chat together.
- This year Breakfast Club has served somewhere in the vicinity of 2400 cheese toasties and 51 litres of Juice!

It has been wonderful to see members of our local and school community work so well together. Thanks for a great semester. We look forward to continuing breakfast club together next term and remember, breakfast is the most important meal of the day, why not have it twice!

Jason Hodge
Sound Bytes Concert “Pop-Up”

Mount View Campus students were treated to an informal ‘pop up’ concert in the music rooms last Friday lunchtime. These concerts are designed to create opportunities for all students to perform their group and solo songs, compositions and instrumental works. Students can workshop ideas, use the audience for feedback and get a chance to share their music with others.

Students from across the campus were invited to share in popcorn and warming hot chocolate. Performances were given by Year 11 and 12 VCE music students and Year 9 and 10 instrumental music students. We plan to hold several of these spontaneous sessions next semester and make them a regular feature on the school calendar.

A big thanks to our instrumental music team, Dave Hartney, Nick Adams and Rebecca Russell, for assisting on the day and giving the VCE groups extra feedback and support.

Instrumental Music News

We have had a busy and productive semester one in music. The Instrumental Music Program for year 7-12 is in full swing at both campuses and we have increasing numbers enrolling in guitar, keyboard, singing and percussion. All students learning an instrument through the program will receive a report from their specialist teachers. There are still some places for students wanting to enrol in semester two. Fees will be adjusted for new students beginning in semester two. Enrolment forms are available at the front office or contact Ms Jenny Royle for further information.

Music Students Get Ready!

Concerts for year 7 and 8 are planned for next term, including a solo and small group music soiree. It is expected that all students perform at least once during the year, whether in a group or individually. Teachers will be focusing on preparing works in lessons to perform. Have you got a good idea? All instrumental staff welcome student suggestions. Start planning your performances soon!!
Year 7 and 8 Vocal Group

A new vocal group ‘Like It Loud!’ has been formed at Rangeview Campus. The group rehearsals take place on Mondays at lunchtime, 1.40pm - 2.10pm. ‘Like It Loud!’ is directed by our singing teacher, Rebecca Russell, and they specialise in contemporary songs and part singing. The group has already rehearsed ‘Rather Be’ using vocal harmonies, and will start ‘Get Lucky’ in term three. The group welcome any new members, including boys, and you don’t need to be vocal student to join, just someone who likes singing. Term three activities will include some in-school performances, including a music soiree, and an excursion/performance for students who regularly attend rehearsals.

Street Beats

The Street Beats percussion group have been rehearsing Fridays through semester one, and we have a strong core group of really enthusiastic students, led by our specialist percussion teacher Nick Adams. The group are looking for more performing opportunities through term three and four, and any suggestions from teachers, parents and communities about upcoming festivals and events are welcome. Enrolment forms for Street Beats are available at the front office. Please contact Ms Jenny Royle for further information. Please note: ‘Street Beats’ and ‘Like It Loud’ are booked to play at the 2014 STRINGYBARK FESTIVAL, Sat.18th – Sun.19th October. Please keep this weekend free. Further details and performance times to follow.

Year 3/4 First Fleet Unit
The College will not accept legal liability in relation to any advertisements which appear in this newsletter.

Mathletics

Don't forget, the Boronia K-12 College Mathletics program is up and running. Visit the below link and sign in to get started!

It is available at any point over the school holidays and throughout the year. Please encourage your child to log in and get involved.

Your child's login details were distributed earlier in the year by their classroom teach-

Chocolate Drive

The Boronia K-12 College Chocolate fundraiser will begin shortly. Each box will contain a variety of Caramelllos, Freddos (chocolate, white, Popping Candy, 100s and 1000s chocolate and twin packs of Peppermint and Strawberry). Each item has a selling price of $1.00. We realise there are many requests placed on you financially, however as this is a major source of fundraising for the year, we would appreciate the support of every family. If you are not willing to accept a box of chocolates to sell, please return this slip by this Wednesday, 25 June 2014.

Thank you for your continued support.
