**KNOX DIVISION BOYS T-BALL COMPETITION**

Well done to the Boys T-Ball team who won the District T-Ball competition and played in the Division competition last Monday 18 July!
YEAR 5/6 CAMP

I took advantage of an opportunity on Wednesday last week to visit our Year 5/6 campers in Toolangi. They were having a great time enjoying the facilities and activities on offer. It was even better (and slightly warmer) when the sun came out! I went with the intrepid canoeing group down to Yarra Glen to watch them paddle on the Yarra River. They were very engaged and enthusiastic and it became a highly entertaining and enjoyable exercise – particularly as a spectator!

LANGUAGE SURVEY RESULTS

The response from our recent family languages survey identified the teaching of either Mandarin or Spanish as the preferred language of our school community. We will use this information when talking with staff and students regarding their views. There are a number of factors we will take into account when making the final decision; including the ease of learning the chosen language, the availability of a suitable language teacher or teachers, the opportunities in future years for exchange programs and overseas visits. It is our intention to introduce our preferred language into our teaching and learning program in 2017.

LITERACY PROGRAMS & OTHER EVENTS

We have been working with a wide variety of secondary schools in the Outer East region around the issue of student literacy acquisition and how we can improve literacy outcomes for our students. Our college established a Year 8 and Year 9 literacy support program last term which is achieving great success with some of our reluctant readers and with students who struggle with their literacy development. We’ve been able to employ a teacher to run this program and fund the resources to support it by using the ‘Access and Equity’ funding we received this year (better known in the media as ‘Gonski’ funding). We also use this funding to conduct our Lit30 program, a literacy initiative supporting our junior students.

A highlight of the past couple of weeks has been the student versus staff games conducted on Thursday lunchtimes. Thanks to our Physical Education team for organizing and running these sessions. (If you see teachers hobbling about on a Friday you can guess they’ve played on Thursday!)

Today we are fortunate to host a performance by ‘Rebecca Barnard and the Revolving Doors’ in our Performing Arts Theatre at lunchtime.

NEW PLAYGROUND STRUCTURE

We are in the process of gathering quotes for the installation of another playground structure in our school grounds, we are seeking funding for the installation of shade structures over the (world’s largest) sandpit and the senior seating area, and have requested some landscaping plans be developed for the Rangeview Road entrance and gardens. I hope to see successful outcomes of all these areas in the coming months.

Want today’s wi-fi password?

1. Make your bed
2. Vacuum your room – properly!
3. Walk the dog
(I did assume it was meant for the children!)

Regards,

David Rose
Principal

Year 7 Literacy

Tomorrow When the War Began

The Year 7 students are studying the novel ‘Tomorrow When the War Began’ during Term 3. In order to explore one of the main themes, teamwork, students participated in a variety of team building challenges within their home groups. These activities included a blindfolded obstacle course and a crossing the river activity. In order to complete these challenges students need to demonstrate a variety of skills including, effective communication, planning, encouragement and support. All of the students really enjoyed this creative and interactive take on a Literacy lesson.
Assistant Principal’s Report

**YEAR 5/6 CAMP**

Last week our Year 5/6 classes went on camp to Toolangi. David Rose and myself had the pleasure of visiting for one day each. I went on the Thursday. Despite the cold weather, the rain held off so the students and the staff could make the most of everything the camp had to offer. The students who returned from canoeing on the Yarra River had an absolute ball! Back at camp, groups challenged themselves on the high ropes course, squealed on the flying fox and showed excellent teamwork on the obstacle course and hut building. The students were a lovely bunch who received praise from the Toolangi camp staff and from their teachers. Big thank you to Matt Scammell, Mel Hancock, Karen Hocking, Jon Dixon, David Husk and Julie Nelmes.

**FARM SCHOOL**

A small group of Year 9 students attended Farm School for the first time last Tuesday and will return every Tuesday in Term 3 and Term 4. The students began a range of projects in their first week from planting seedlings, planning to build a jetty over the dam and cooking cupcakes. Everyone had a great time.

**YEAR 3/4 EXCURSIONS**

Our lucky Year 3/4 students participated in two excursions last week: Hoop Time and to Coles. Hoop Time is always a fun active day and it’s always lovely to see students who have never played basketball before to get amongst it and give it their best shot. All teams had at least one win, with three teams going all day undefeated. Our Year 8/9 Hoop Time assistants received great feedback from everyone. Awesome job to everyone who participated Hoop Time!

Thank you to parents for supporting the Coles excursion by providing your child with the $5 needed to purchase items and analyse the change given for their classroom activity. The teachers were excited to see our students doing money calculations in their head and working out what change they should receive! What a wonderful practical activity the Year 3/4 staff arranged! Upon return to school, everyone enjoyed a hotdog lunch from purchases at Coles! Thanks Lucinda Bondini, Megan Wadsworth, Nicole Harvey and Jess Ward for a busy couple of days with the Year 3/4s. There is a MCG excursion coming up in August too! The Year 3/4’s are certainly having a fun term!

**UPCOMING EXCURSIONS & ENQUIRIES**

Next week we have Year 9 students visiting the new Box Hill Institute campus in Lilydale so they can begin to consider possible careers and pathways.

If parents are unsure about an excursion for their child, please contact the organising teacher or General Office to clarify your questions.

**BREAKFAST CLUB**

Breakfast club is running smoothly with lots of help from staff across the school and many students enjoying breakfast at school.

---

**YEAR 7 HUMANITIES**

**When in Rome**

Throughout Term 3, the Year 7 students have been investigating Ancient Roman society. At the end of Week 1, the students indulged in some traditional Roman delicacies, including freshly baked bread, cured meat, cheese, olives, dried fruit and honey. The students enjoyed tasting the different dishes and described their experience of trying each food using their five senses. As well as experiencing the diet of Ancient Romans, students will investigate the physical features of the Roman Empire, the complexities of Roman society, the beliefs, values and practices of Roman people, and the structure of a republic and an empire.

"Veni, vidi, vici" (I came, I saw, I conquered)

*Julius Caesar 100 - 44 BC*
YEAR 3/4 HOOP TIME

Congratulations to the 65 Year 3/4 students who competed in the Junior Hoop Time Competition at Knox Basketball Stadium last Wednesday, 20 July. Boronia K-12 College sent one of the largest groups we’ve mustered in a few years with eight full teams playing over seven different competitions. All teams were coached by Year 8 students throughout the day and we thank those Year 8 students for helping out throughout the entire competition.

All teams had at least one win for the day, with a couple of teams winning all of their games throughout the day which was a great result. Our ‘All Star Boys’ teams also qualified for the Regional Championships coming up in the next couple of months. They unfortunately lost the grand final, however they finished within four points of the winning team which means they also get an invitation to the regional competition!

Well done to the All Star Boys, Boronia Boomers, Boronia Bulls, Boronia Breakers, Boronia Blitz, Boronia Blues, Boronia Bucks and Boronia Bears on their efforts.

Thank you also to the teachers and staff members who attended on the day, as well as staff members who took time out to come and see how the competition was going.

MISSING BORONIA K-12 COLLEGE SPORT SINGLETS & TOPS

The P.E. Department is desperately looking for a few of the Red singlets and tops that have been misplaced from past sports, etc. Could students and parents please have a check through their rooms/washing, etc. and return any tops directly to any P.E. teacher in the P.E. office. Rewards will be given to any students bringing these tops back.

KNOX DIVISION BOYS T-BALL COMPETITION

Well done to the Boys T-Ball team who won the District T-Ball competition and played in the Division competition last Monday, 18 July. It was a cold, windy day however the boys battled on against tough opposition full of baseball players. We finished 4th on the day out of the four districts which is a great result considering there was over 40 teams competing in the district competitions. The boys should be very proud of their efforts, not giving up at any point, no matter the score or circumstances.

Thank you to Mr. Rose, Ms. Cross and Mrs. McMillan for helping transport the students to and from the event and to the parents who supported the team, it was greatly appreciated by all.

P.E. Team
Late Arrivals
All students are to sign in at the office in the event of arriving at school late. We ask that younger students are signed in by their parent or guardian. If a student signs in late without a note or parent/guardian present, their absence will be noted as being "unapproved".

Students signing in late after 9.30am without prior notification will result in their parent and/or guardian receiving a text message notifying the student’s unexplained absence.

Early Departure
We ask that parents and guardians make appointments wherever possible outside of school hours. If your child must be collected early, please provide a written note which is to be given to your child's teacher. The teacher will release your child from their class at the specified time to meet you at the General Office. Alternatively, simply arrange to meet your child in admin at the beginning or end of either recess or lunch.

We are not able to make P.A announcements during class time due to the disruption this causes to not only our entire student and staff body, but also our neighbouring community.

All students leaving the college must be signed out at the General Office.

Absences
If your child is absent, please notify the college the morning of, or the day prior to the expected absence.

Simply call the College number; 9760 4900 and leave a message on the absence line (select option 1), or submit an absence notification via TiqBiz, the college app.

If you have not notified the College of your child’s absence by 9.30pm, a text message will be sent to the nominated parent/guardian.

Environmental Action Group!

Boronia K-12 College now has an Environmental Action Group. If you care about the environment, and you’re eager to give gardening a go, be sure to meet us in the Middle Years Building (Year 5, 6 & 7 Building) each and every:

Thursday lunchtime

Do you have succulents at home? We are collecting plant pots, succulent cuttings, and potting mix.

If you have any questions or wish to donate, please see Mrs. Hocking in the Middle Years Building.

If you have not notified the College of your child’s absence by 9.30pm, a text message will be sent to the nominated parent/guardian.

Word Mania Competition
Is your child subscribed and playing Literacy Planet? If not, be sure to get on board.

Students who are subscribed to Literacy Planet have the ability to participate in Literacy Planet’s Word Mania Competition.

The aim of the game is to spell as many words as possible in three minutes, it is highly engaging and a lot of fun! The more students that play, the more chance our school has of winning (it’s free for additional students to enter the competition). Students already subscribed to Literacy Planet can get started straight away.

This year, there is over $100,000 worth of cash and prizes available to reward participation and skill. The competition is open to Years 1 to 9, so we encourage as many students as possible within the school to participate in the competition to increase our chances of winning.

Results will be tracked publicly for our region via leader boards on the website. Students receive points for spelling correct words, word length, speed, and surprise spot prizes.

If you aren’t subscribed to Literacy Planet but would still like to be involved, simply get in touch with Ms Megan Ward at the College to register.

MICE MADNESS

During Term 2 the Year 8 students took part in a Mice Project. Students were expected to track the growth of the mice by measuring their weight. They also conducted a range of experiments to understand the abilities and intelligence of their mice. Throughout this topic, students investigated different areas of biology including the cells and reproductive systems of animals and plants. This also led to discovering varieties of endangered mice, as well as, diseases that mice can carry.

“It was exciting watching the mice have babies.” – Leah
“I learnt that mice can swim, they’re so fast!” – David
“I learnt that mice are much smarter than they look.” – Kooper
“It was fun when we got to handle the mice.” – Courtney
“The babies were as small as jelly beans, and they really didn’t enjoy human food.” – Alyssa

Students interested in this field may consider pursuing careers in nature conservation, agriculture, veterinary, research sciences and many more!

YEAR 8 CHEMISTRY

Throughout Term 3 the Year 8 students have been learning about elements, compounds and mixtures. Students have been learning the properties of the first twenty elements, this includes the atomic number, symbols and names. Next, students will be looking at the structure of atoms and compounds.

Education in Chemistry can lead to careers in areas such as engineering, healthcare, clinical biochemistry and forensics!

Try this Chemistry puzzle...

How many oxygens are in CuSO4.5H2O?

Answer: 7
YEAR 3/4 COLES EXCURSION

Last Friday the Year 3/4 students trekked all the way down to Coles, Boronia keenly clutching their money and their group’s shopping list.

Students used their skills learnt in the classroom during Maths time to calculate amounts and work out their change used to purchase hot dogs for lunch.

They represented Boronia K-12 College exceptionally and it was great to see their money knowledge put to use in a real life context. Students enjoyed themselves and it was fantastic to see them able to work out sums in their heads. After all the hard maths sums it was great to refuel our brains with a Hot dog, drink and biscuit for lunch!

Thank you to our parent helpers, we couldn’t have done it without you!
**Student Banking**

Don’t forget, Monday is student banking day.

If you wish to make a deposit into your child’s Dollarmite account, please send your child to school with their completed deposit slip in their bank book, alongside the cash you are depositing.

Bank books are collected by your child’s classroom or homegroup teacher to be sent to the General Office by 9.30am.

**Prize Lights**

In keeping with this year’s Outback Savers theme, the Dollarmites have discovered Prize Lights in the Outback sky and want to share these spectacular prizes with School Bankers.

**Competition details & prizes**

Students who make three or more School Banking deposits during Term 3 will have a chance to win one of the Star Saver prizes including 50 camping kits, 90 instant cameras and 200 magazine packs.

Excitingly, this year we have a second prize pool available. Students who complete the fun Stargazing online activity, along with making their three deposits during Term 3, will also go in the separate draw to win one of 50 Supernova prizes – PlayStation 4 packs!

We’re also giving schools a chance to win one of 75 bags full of sports equipment, valued at $200, when at least one student makes three School Banking deposits during Term 3.

So, don’t forget to bank!

---

**German Exchange Students**

A number of German Exchange Students, both girls and boys aged 15-18, hope to be coming to the area this July for 3, 5 or 10 months. If you and your family feel you would like to host a German student during their stay here or even part of it, can afford an extra person at meal times, and have a spare bed, please contact Klaus Schumann, their coordinator, on 03 9758 4279 or by email to let me know of your interest. There is no payment involved. There are students of other nationalities also seeking host families if you wish to enquire further.

Hope to hear from you.

Yours sincerely,

Klaus Schumann

Year 12 VTAC Information Night – Tuesday 2 August 6.30pm

On Tuesday 2 August I will be holding an extremely important information night regarding VTAC applications and post Year 12 options for next year. All students and parents are invited and strongly encouraged to attend this evening. The application process (including all steps involved and all important dates), SEAS applications and scholarships will be covered in great detail. I cannot stress enough the importance of this information night.

If you have any questions regarding the night or wish to organise a meeting with your child and yourself, please feel free to call me on 9760 4908.

Mr. Tim Knowles (Careers/Pathways Co-ordinator)

Looking to buy, swap or even sell your child’s second hand uniform or books? Simply search for the Boronia K-12 College Facebook page developed to assist in making these transactions happen. Monitored by College Council simply search on Facebook for the page below:

**Boronia K-12 College - Uniform & Books - Buy, Swap, Donate and Sell**

**Canteen Helpers**

If you’re looking to help out at the College and would be interested in offering your assistance at the Canteen, our Canteen Manager, Karen, is seeking your help!

In order to help out in the canteen all we require is a copy of your Working With Children Check.

To offer your expression of interest, or for further information simply pop into the Canteen and speak to Karen.

**School Banking Reminder**

Don’t forget that **MONDAY** is School Banking day. Please ensure that your student banking books are handed to the General Office before **9.30am**
In Week 3 the Foundation students have been celebrating their 100th day of school. We have been using our 100 items to complete various mathematical activities such as making the number 100, “do we really have 100 things?”, measuring our 100 things, and making counting chains.

On Thursday the Foundations performed a wonderful song to our families in the Performing Arts Building and we also presented our speeches in front of a packed audience.

Here are some pictures to show the highlights of our day!

Original Musical Adaptation by Scott Copeman
Voting for CUA Community Care is now open and we’re keen to get as many votes as we can!

We have entered this community-focused initiative run by CUA to be in the running to win $5,000 for a school project of our nomination (see the flyer below).

We’re up against 19 other schools in the area to take out the $5,000 prize and, as the winner is determined by community voting, we need your votes!

To learn more about the program and our project proposal, please visit www.cuacommunitycare.com.au and select our school from the drop-down menu.

Voting is simple. You can place your vote via this website or go to the local CUA branch.

Your local CUA branch is Eastland. The branch details are:

**Shop 1067, Eastland Shopping Centre, Maroondah Highway**

**Eastland**

**VIC 3134**

Branch Manager: Senem Emre

Phone: (03) 8878 5000

Don’t forget, every person can vote once online AND once in the branch. Also, voting is open to anyone so please feel free to get friends and families involved and voting!

So, place your votes and help us be in with a good chance of winning $5,000 to improve our school!

Remember, voting closes at 4:30pm (AEST) on **Tuesday 23 August**.

Thank you for your support!
BOOK WEEK
DRESS UP DAY

In celebration of The Children’s Book Council of Australia’s 2016 Book Week, the Boronia K-12 College will be holding a Dress up Day on:

Friday 26 August

Please come to school dressed as a character from your favourite book, or wear something that depicts your favourite book or series.

Just about anything goes, for example a Dr. Seuss Hat, Harry Potter’s scar, or a full blown super hero costume.

A parade will be held for students in Years Prep - 6 on the undercover basketball courts at 9.15am. Parents are welcome to come along and watch.

We look forward to seeing your book inspired clothing and costumes! Please note, this is not a ‘free dress’ day – book related clothing or school uniform only.
