Executive Principal’s Report

STUDENT LEADERSHIP

The student Leadership Team (Years 3 – 8) at the Rangeview Campus met this week for the first time as a group. A team of teachers including Mr Husk, Ms Cellante and Ms Fraser will work with this group throughout the year to ensure that the Student Voice of the campus is heard and taken into account when determining how we can continue to build and improve the culture and environment at our College. The input from this group and the leadership team at the Mount View campus will play a big role in helping us to determine the names for our new houses. Many thanks to the Bray family for their fantastic input into the naming process. They have provided a virtual “short story” of suggestions – well done!!

A BIG WEEK

This week we have had:

An excursion to Healesville Sanctuary with our Grade 1 / 2 students. Many thanks to the many parent helpers who went along on the day to support students and staff. Your presence was greatly appreciated.

A High Tea for the parents of our Prep students. Mrs Kowalczuk’s senior Food Technology students came to the campus and spent the day preparing a wonderful afternoon tea for the occasion and what a fantastic job they did!!

The College Cross Country Run - this was yet to occur when I was preparing this report but the weather appears to be terrific this time for the event and I know the tremendous amount of work that Mrs McMillan and Mr Stone have put into making this day a great success.

YEAR 6 SECONDARY TRANSITION FORM

All Application for Year 7 Placement forms must be returned to the General Office by Friday 23 May. Parents with any questions regarding the process should contact either Mrs Dunbar or myself.

ASSESSMENT AND REPORTING DAY

A reminder to all parents and guardians that Thursday 29 May is the Assessment and Reporting Day for the College and students will not be required at school. Parent / Student / Teacher meetings to discuss student progress as reflected in Semester One reports have been scheduled for Tuesday 24 June and booking details for these meetings will be published in next week’s newsletter. A second Parent / Student / Teacher meeting process will be held at the Mount View Campus mid term 3.

TRAFFIC MANAGEMENT

At last some movement with regard to the bus indentation works on Albert Avenue. It would have been preferable to have these works take place during the holiday period but at least they are happening. I have been advised by the Knox Council that the Rangeview works have now been scheduled to take place during the July holiday break which will be less disruptive from a traffic management point of view. I remind parents of the following points when using the Albert Avenue entrance:

- Do not park in the narrow strip leading down to the basketball courts. This roadway needs to be kept clear for emergency vehicle access.
- When dropping off or collecting students from the Albert Avenue entrance please do not exceed 10kmh.
- Drop off students outside the main entrance in the morning to help minimise congestion and to maximise safety.
- Students should exit from the school side of the car. In the afternoon, please hold the hands of very young children and keep a watchful eye on older students as you make your way to the car.
- If it is possible consider collecting your children 10 – 15 minutes after the end of the day as this also helps to reduce congestion. It is much easier to drive in and out after 3.45pm and we are happy for students to wait in the foyer outside the General Office.
- Consider parking in Bambury Street and walking in to collect your children. This provides an opportunity to discuss the day with your child/children as you walk out and is also a good excuse for some exercise!!

A reminder to parents exiting the Rangeview campus into Albert Avenue that all cars should turn left to assist the movement of traffic. Right turns will only be permitted when the traffic lights are red but drivers are not to wait for them to change.

NAPLAN TESTING PROGRAM

The National Assessment Program – Literacy and Numeracy (NAPLAN) 2014 for Years 3, 5, 7 and 9 students will be held on Tuesday 13 May, Wednesday 14 May and Thursday 15 May, 2014. All students in years 3, 5, 7 and 9 were given an explanatory letter this week to take home to parents about the tests.

All students are expected to participate in the NAPLAN tests. During test week, catch-up tests will be available for individual students who are absent on test days. These students may undertake catch-up tests on the days in the test week after the scheduled test, up to and including Friday 16 May 2014.

Support can be arranged for students with disabilities, if the student regularly uses similar support for classroom assessment tasks. Large print, braille and black and white versions of the tests are available for students that require them.

Exemptions may be granted to students with significant intellectual disabilities and to students who have been learning English for less than one year.

If your child is eligible for support due to disability or an exemption, you should discuss this with his/her teacher prior to the tests. Parental consent is required before any support due to disability or exemption is granted.

Students may be withdrawn from NAPLAN by their parent or carer. This is a matter for consideration by parents and carers in consultation with the principal. If, after
Uniform Sub Committee Meeting with Gwen Harrison representing Lowes

The following was discussed at a meeting held on 30 April;

P-4 Bomber Jacket – Lowes is changing supplier due to problems with studs

P-4 Polo (green) – Originally selected because it contained more cotton than polyester (better quality).

Options - More polyester in fabric or parents buy bigger size to allow for shrinkage (Gov't standard: 2cm shrinkage acceptable).

2013 Batch – poor quality **adjusted after communication with Lowes last year

2014 Batch – better quality, more polyester

### Next Batch, increase % of polyester in polos

### Lowes will increase number of small sizes available for purchase in Term 4

Cargo pants & cargo shorts - Increase polyester content (harder wearing). This is a more expensive option, will we leave the less expensive option on uniform list and parents can choose.

(Reminder: keep receipt, refund within first month or two if the garment is faulty)

PLEASE NOTE: YOU CAN NOW VIEW UNIFORM & ORDER ONLINE AT:

www.lowes.com.au

Summer Dress

Hems – Gwen to check stitching & make recommendations if required.

Inverted pleats – wider bar tack, tapering shoulders to remove points

Winter Pinafore (P-4)

Primary size, Lowes has stock that needs to be sold. Gwen to check stock numbers.

Parents please purchase P-4 Pinafore, but can remove bib if doesn't suit child's build.

Investigating an adjustable waist on the winter skirt for younger & smaller girls. We will keep parents informed.

Winter Skirt (5-9)

Youth sizing not ladies sizing

Youth sizes-- Start at Size 6 to size 24 (These are not ladies sizing). Please buy the skirt to length. It should sit on your daughter's knee. Has an adjustable waist.

Gwen will look at adding 10-12cm in length to next batch

Sports Polo - collar faded, possibly increase polyester content

Stitching undone on top & shorts, Gwen to follow up on stitching (tighter stitch, lower tension)

PARENTS PLEASE NOTE THE FOLLOWING;

Boronia K-12 College is a school with a uniform policy. We are proud of our uniform and want our students to wear it with pride

This is the final transition year from the old uniform to the new uniform. At the start of 2015 ALL students MUST be wearing the new College uniform.

Stage of Schooling uniform items to remain as specified on uniform lists. Selection of uniform items at each stage relates to the maturity level and needs of the students.

All students should be in winter uniform in Terms 2 and 3. If not, provide a note. If parents require financial support, see Judy Triffett or Kate Harnetty.
The College will not accept legal liability in relation to any advertisements which appear in this newsletter.

NAPLAN Year 9

Parents of students in Year 9 should note that the NAPLAN tests will be conducted on 13, 14 and 15 May 2014. Please note that all students in Year 9 will need a working calculator for the Numeracy tests.

While it is important that we do not cause stress about NAPLAN, students will undertake the tests under exam conditions and it is vital that you speak to your child about the importance of doing his/her best and making full use of the allocated time. It is also essential that students practise the skill of concentrating on a task for an extended period of time, and this is something that can be reinforced at home through quiet reading, a writing task or basic numeracy tasks such as adding the cost of shopping items.

You will have received a letter with a more detailed description of NAPLAN. Please read the letter carefully and ensure that your child knows what is expected on these days. Remember to emphasise to your child that the testing assesses skills that are developed over time in literacy and numeracy, and is not a ‘pass or fail’ test but an indication of how your child is progressing against national standards. An individual NAPLAN report will be provided to each parent later in the year.

If you have questions about the tests, please ring me for more information. In special circumstances a parent may choose to withdraw their child from the tests. This must be discussed with me first, so please contact me well in advance of the NAPLAN tests if you wish to investigate this pathway.

If you have any other questions about NAPLAN, call the College phone number 9760 4900, and ask to speak with me.

WINTER UNIFORM

A reminder to all parents to be well prepared for the winter months as far as uniform is concerned. This is the last year of transition from the old uniform to the new uniform. Black socks or black tights/stockings are not part of the uniform. All students should have a College jumper or jacket. If there are any problems purchasing uniform, parents are encouraged to contact myself to discuss options for support. If a student is out of uniform for whatever reason, a note from home should be provided. Please label all items of uniform clearly with the student’s name. It is much easier to return items of uniform to students if they have their name on the label.

On Tuesday 6 May, our Prep classes hosted a High Tea in celebration of Mothers’ Day. However, our Preps couldn’t do it alone! So, they enlisted the help of Mrs. Kowalczuk’s Year 10, Unit 1, VCE Food and Technology students.

The afternoon was a fantastic success, the Year 10 students busily baking away to cater for the event, whilst the Prep’s crafted beautiful crowns for their visiting mums.

The Preps shared their work with their mothers, whilst the Year 10s had the opportunity to showcase their skills and talent.

The student caterers received many a compliment, and plenty of smiles were spread across the faces of excited Preps and their visiting mothers.
and this is what she wrote:

picked up the pen, turned over the paper he’d written on, could see the memories flashing through her mind. She

Well, his mother looked at him standing there, and the boy could see the memories flashing through her mind. She picked up the pen, turned over the paper he’d written on, and this is what she wrote:

When the boy finished reading what his mother had written, there were big tears in his eyes, and he looked straight at his mother and said, “Mom, I sure do love you.” And then he took the pen and in great big letters he wrote: “PAID IN FULL”.

We don’t always have wonderful experiences with our Mothers. Mothers don’t always have wonderful experiences as Mothers. However, Mothers at their best give us so much. Whatever your experiences with, or being, Mothers, may this coming Mothers’ Day bring you some encouragement and blessing.

WINTER SPORTS ROUND ROBIN THIRD WEEK

Well done to all Grade 5 and 6 teams that competed in their third game of winter sports. Again, everybody put in their best effort and we came away with some great results. Well done to the boys’ soccer team who never gave up even after a couple of hard matches and were able to win their first game. Congratulations to the open netball who won their third straight game and the girls’ T-ball team that fought for the whole game and came away winners by one run!

Although a few teams didn’t get the win, they all had great results and efforts that they came away with. Well done to the twins, Anya and Sarah, and Imogen who scored their first goals ever in the girls’ netball team. Girls’ soccer saw some great passing, goalkeeping and two fantastic goals from Isla, and the boys T-ball team saw some great catches and big hits lead by Dale, Jacob, and Jaxen. Bad luck about the results for those teams, however the best part about sport is you always have another chance.

Well done to the captains of each team: Jordyn and Callum (Open Netball), Anya and Imogen (Girls’ Netball), Sam and Joel T (Boys’ Soccer), Hannah W (Girls’ Soccer), Daniel B and Kooper (Boys’ T-Ball), and Jasmyn and Belinda (Girls T-Ball). These students all showed fantastic leadership in the opportunity to lead the group and they all helped their teams achieve great results.

Another big thankyou to Ms. Cellante, Ms. Hancock, Ms. Fraser, Mrs. Mynott & Ms. Mullins for their fantastic help and support on the day, thankyou to the Year 8 helpers, Josh and Jeon, and good luck all teams for their final game of the round robin on Friday 23 May.

Go Boronia K-12!

VIC TRIALS

Congratulations to all students who competed in the 2014 Victorian State team trials during the week. Just taking part in the trials is a fantastic effort and shows your hard work and determination is paying off. I hope you all enjoyed the experience and that you are encouraged you to continue to work on your skills and try again next year whether you are in Grade 6 or Year 7. You should all be very proud of yourselves, I know you would have all given your all!!

UPCOMING SPORT

It is becoming a very busy time in Year 5 and 6 sport at the moment. We had our whole college cross country during the week. Congratulations to those who were successful in making it to the next level. Below is the list of primary school upcoming sports for term 2:
