

BORONIA K-12 COLLEGE

PLACEMENT POLICY

Rationale

Children of school age have the right to be placed at their designated neighbourhood government school subject to facility limitations.

A placement policy will help to ensure schools admit eligible students.

Aim

To ensure students have access to neighbourhood schools and the freedom to choose other schools subject to facility limitations.

Implementation

Eligible children have the right to be placed in their designated neighbourhood school.

The Regional Director has the authority to effect placement of students.

Designated neighbourhood school

The designated neighbourhood school is the school that is nearest the student's permanent residence, unless the Regional Director:

- needs to restrict new enrolments at a school
- has designated the neighbourhood boundaries for the school.

This table defines the measure of the nearest school (not withstanding if a neighbourhood zone has been put in place).

any other area	the shortest practicable route.

Notes:

- each campus of a multi-campus school has its own designated neighbourhood

- students must attend the nearest school to be entitled to free school contract bus travel or a conveyance allowance.

Priority order of placement

Where there are insufficient places at a school for all students who seek entry, students are enrolled in the following priority order:

1. Students for whom the school is the designated neighbourhood school.
2. Students with a sibling at the same permanent address who are attending the school at the same time.
3. Where the regional director has restricted the enrolment, students who reside nearest the school.
4. Students seeking enrolment on specific curriculum grounds.
5. All other students in order of closeness of their home to the school.
6. In exceptional circumstances, compassionate grounds.

Appeals - Schools not providing a Year 7 place

Any appeals by parents/guardians against a school's decision not to provide a Year 7 placement are:

- considered by the placement committee at the desired school
- escalated to the Regional Director when they cannot be resolved by the desired school.

Appeals are considered based on the following department placement principles:

- provide each child with a place in the designated neighbourhood school
- provide parents/guardians with an opportunity to enrol their child at the same school as an older sibling who resides at the same address
- allow parents/guardians to send their child to any alternative school where space is available
- contain enrolments in each school within the limits of available resources as determined by the Regional Director.

Evaluation:

This policy will be reviewed as part of the school's three-year review cycle.
