Dear Parents/Guardians,

Boronia K-12 College is committed to providing a nurturing and inclusive environment where students are encouraged and recognised for striving for excellence and achieving their personal best in their chosen area. We demonstrate our commitment to excellence and recognition through our comprehensive Community Scholarship Program for students entering Year 7.

We believe that by recognising and rewarding excellence, we foster a culture of achievement and motivation. Our scholarships are designed to provide worthy recipients with the resources and support they need to continue their journey of excellence and personal development and to inspire them to reach new heights in an environment that promotes academic excellence, community responsibility and unqualified respect for all individuals.

Our Scholarships support students who demonstrate excellence in various fields.
